

**CHRISTIAN DRIVE
TO START JUNE 2;
EPISCOPAL PLAN**

Nebraska Churches to Mobilize Power for Service by Extending Campaign into Homes of Members.

Episcopal churches of Nebraska are to inaugurate a campaign for the purpose of mobilizing their power for Christian service. The campaign in Omaha will be held the week of June 2. St. Louis and Baltimore have recently completed successful campaigns of a similar nature.

The general committee for Omaha, which met Friday at the Chamber of Commerce, includes John T. Yates, chairman; Rev. A. H. Marsh, secretary; Fred H. Davis, treasurer; C. C. George, Rev. C. H. McKnight, Rev. J. E. Flockhart, C. M. Nye, Charles G. Trimble, C. L. Hopper, W. R. Watson, Rev. T. J. Collar, Alfred D. Klein, Rev. A. H. Marsden and Rev. C. M. Worden.

It is planned to have committees call upon every member of the Episcopal church Sunday, June 2, between 2 and 4 o'clock.

Visiting speakers will occupy pulpits of Omaha in all churches on the first Sunday of conference week. Meetings will be held during the week at All Saints parish house.

A dinner will be arranged for the workers for Thursday night of that week, when it is expected more than 500 will be present.

**Off-Line Agents of the U. P.
Placed at Points Along System**

Of the 50 off-line agents of the Union Pacific, called to headquarters, practically all of them have been placed at points on the system. Many of them have positions equally as good as those they held prior to the government taking over the railroads. There are a few of the older men who had property holdings in the east and west who have preferred to engage in other lines instead of moving to the central west.

David Trail, formerly general agent at Cincinnati, has been assigned to Grand Island, where he will become agent, opening the new \$150,000 passenger station about May 15. Trail is an Omaha man, having been born and reared here. He went with the Union Pacific when a small boy, his first work being running errands out of the local city office.

**Hotel Men Ask Continuance
Of Disorderly House Charges**

Trials in police court of six hotel men, charged with keeping disorderly houses, have been set for May 14. The hotel proprietors, arrested Thursday upon testimony of Mary Prazitz and Irene Johnson, 16-year-old girls, in police court for a hearing Friday morning, asked that their cases be continued. The names of the hotel men arrested include Albert M. Quealey, Albany hotel; W. E. Huffman, Windsor hotel; Patrick Fallon, Plaza hotel; J. E. Wyant, Carleton hotel; O. P. Thompson, 2312 Douglas street, and Mrs. Roseland Hull, 610 South Seventeenth street.

**Cattle Sell at \$1,500 Per Head
At Sale of Blooded Stock**

At a sale of blooded stock, held at the Hopley stock farm, near Atlantic, Ia., Thursday morning, 60 head of cattle were sold at prices that averaged a little better than \$1,500 per animal. The sale was attended by W. B. Allen of the Burlington, who says there were more than 1,000 persons present, bidders on the animals coming from all over the central west.

**Postoffice Clerks Hurl
Challenges for Ball Games**

The postoffice clerks and the Omaha Cubs will play baseball at 9 o'clock Sunday morning at the Elmwood park west diamond. The postoffice team challenges any teams wishing games for Sunday mornings. They would like to hear from the firemen or policemen. Write to Bverett True Burrows at the postoffice.

**Iowan, 67 Years Old, BOUND
Over to Federal Grand Jury**

W. S. Doan of Glenwood, Ia., was bound over to the grand jury by United States Commissioner Neely Thursday morning. He is 67 years old. He is charged with violation of the Mann act by bringing a woman from Council Bluffs to Omaha.

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-gooc feeling—you should take Olive Tablets. Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients. Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause. Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects. They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists. Take one or two nightly and note the pleasing result.

Those Who Are Well Need Not a Physician!

When we are sick is the time that we send for a doctor. In China they do things differently—indeed, the almond-eyed Mongolian does everything in just the opposite way. In the Celestial Kingdom they wear white instead of black for mourning; they write from the bottom up and from left to right; indeed, their very feet are opposite ours, as if they were standing on their heads. When our attention was drawn to that fact in our school days, we used to wonder why they didn't fall off the earth.

This is the Silk Age—Everybody who is anybody, wears silk nowadays. The government has practically appropriated the wool, and all the nations have been crazy to get our cotton. Flax and linen are almost out of the market. So the silk worm has to work overtime.

Dear Old Aunt Mary will think we mean to be funny, but we have no intention of being so. We simply desire to place the facts before you, so that you will be informed—and to point a moral, namely this: for reasons stated, demand for silks is so immense, that prices are mounting sky-high. Now, therefore, is a good time to buy for your needs and a little beyond.

We Men In the Old Days

were not given much to wearing of silk. Occasionally and sometimes oftener we used to say that we felt "as fine as silk," but that was the extent of our intimacy—indeed we balked if we were referred to as a "Silk Stocking"—(we never really got into that class ourselves). Use and Wont are wonderful things. Now most men want Silks. Take Silk Shirts, for instance. What so delightful for wear? So soft, so cool, so elegant, no wonder.

Shirts of Silk are so popular. We show some beauties. Timely Advice—Buy your Summer Underwear now, or later, Mr. Procrastinator, you'll have regrets. Athletic shapes in nainsook fabrics, 79¢, \$1.00 and \$1.50.

The prices quoted above are close to actual cost in almost every instance. It costs nowadays about 25 per cent to do business. In some big institutions 30 per cent or more. We won't insult your intelligence by suggesting Why it is done. This is not merchandising. But fair warning—we'll stay with the fool prices till the top of Avernus is used as a skating rink. Whatever is advertised elsewhere, not included in this list, if we have it, we will meet or beat the price.

**Cobb Has Bought Some New Containers
for His Candy**

Ever alert and watchful to improve, his motto might well be Excelsior. Cobb's business out of town is very large, his desire has been to have his Candy fresh and perfect upon arrival. He has secured at last an ideal container, and it is as attractive in appearance as it is dependable for the perfect keeping of its contents. And the beauty of it is it does not add enormously to the cost. For hotter weather Cobb has many Delicacies. Just the thing perhaps that you feel the need of to top off the meal, or to add the right touch in an emergency—Bon Bons and Caramels, and such a variety of Chocolates. Do you know, it's worth something to know how to buy? What to buy. How to keep. How to dip. How to decorate for the milestones of life, as well as the pleasant occasions. Cobb and his good wife know. Ices and creams take up lots of time now. Telephone Saturday morning if you want any for the Sunday dinner. Last week some orders were too late for the Novelties and the Choicer Dainties. Douglas 51. Say "Cobb" that's all. No use asking you to come in the morning for your Candy, for most of you won't do it.
