There is a great, gaping hole in front of the house, caused by a heavily loaded automobile trailer be- ing projected into the building by the propulsive force of gravity. The trailer was coupled to a truck belonging to the Frank Manning cir- cus, which was to have opened at Faribury, Neb., Wednesday night. The driver, G. Burnett, was trying to negotiate Dodge hill with the two ve- hicles when the trailer broke away and started down the hill. It gathered momentum and struck the house with a crash. The accident was witnessed by passengers on a passing street car.
