### Harmony Reigns Supreme in City Hall as Municipal Ship Nears Port to Change Crew.

Members of the incoming and outgoing city councils discredit rumors of a disagreement over the date of the official change of affairs in the city hall.

Commissioners-elect Friday morning announced that they will assume charge of the municipal government Monday morning, which happens to be the 13th of the month. This, they explain, is in accordance with the law and is agreeable to the retiring officials. They have no misgivings over the fact that they will start on the 13th.

**Dahlman Ready to Retire.**  
"I am ready and anxious to turn my office over to my successor," Mayor Dahlman stated.

**Other Commissioners Expressed Similar Intentions.**  
Hummel's Kindly Spirit.

City Commissioner Hummel said: "There is nothing in that story about holding over for two weeks, until May 27. I want to leave with good feeling and am willing to give a week or 10 days of my time without pay to help my successor with as much information as I can."

Commissioner Parks will leave on Monday for a trip of several weeks. He will visit a son in a cantonment camp.

Dean Ringer, city commissioner-elect, speaking as a prospective superintendent of the police department, admits that he is being imperturbed and advised from many quarters relative to important positions of the department.

**Ringer Smiles at Rumors.**  
He smiled when asked as to the truth of some of the wild rumors which are being circulated.

"As for the appointment of a chief, that matter absolutely has not been considered. All I could say at this time is that whoever the chief may be, he should be a strong man, but we are not up to that matter yet," Mr. Ringer stated.

Friends of Detective Sergeant Felix Dolan are making an effort to have him appointed as head of the detective department, and friends of Chief Dempsey are likewise ready to fight for him as chief.

### T. R. DESIRES BUT ONE ADDRESS BE ARRANGED HERE

Theodore Roosevelt will arrive in Omaha Saturday morning, June 8, from Chicago, and will be the guest of the city until Sunday afternoon, when he will proceed to St. Louis.

A telegram received by F. A. Branch, chairman of the Omaha branch of the National Security League, from Henry L. West, secretary of the league, New York City, announces this date as definite.

The distinguished American will speak on Saturday night in the Auditorium.

Mr. Roosevelt has suggested that only one address shall be arranged for Omaha.

Plans for a strictly nonpartisan gathering to greet Colonel Roosevelt upon his arrival, and plans for his entertainment while here were discussed Friday, at a meeting of the executive committee of the Security League at the Chamber of Commerce.

Governor Neville of Nebraska, Governor Harding of Iowa, Omaha's mayor and other celebrities will be on the reception committee to greet the distinguished visitor.

It is planned to co-operate with the members of both political parties, the military and all persons who can and will lend their aid on this occasion.

### Committees for Red Cross War Drive Are Announced

Two important committees for the Red Cross war fund drive, which will be held May 20 to 27, inclusive, have been announced from headquarters. They are the grain exchange committee, headed by N. B. Updike as chairman, and the woman's committee, with Mrs. F. W. Judson chairman.

The actual opening of the Red Cross campaign will be on Sunday, May 19, when prominent speakers will talk in all important parks in Benson, Florence, Dundee, South Side and Omaha, proper. Elaborate musical programs are being arranged for the occasion.

### Omaha and Lincoln to Miss Army Draft Call May 25, War Order Says

Neither Omaha nor Lincoln will be asked to send any drafted men for the next call, May 25, according to instructions just received from Captain W. L. Anderson, provost marshal general of Nebraska. Both Omaha and Lincoln have sufficient voluntary enlistments and inductions to make up their quota.

Omaha's quota would have been about 300 men to entrain May 25. Other parts of Nebraska will send national army men May 25.

### SOUTH ACCEPTS NEBRASKA PLAN AT CONFERENCE

### Omaha Savings Stamp Boosters Are on Their Way in Nation-Wide Campaign to Aid Government.

Cincinnati, May 10.—(Special Telegram.)—"Out of every great work there comes a genius to lead the way to success" is the tribute paid here to Ward M. Burgess, war savings stamp director for Nebraska, by Otto Marx, director for the southern states, in an address.

"We are indebted to Mr. Burgess for the splendid plan to promote the sale of war savings stamps and which has been adopted for the southern states at this conference. By genius, in this instance, I mean the ability to do unlimited work with unsparing pains."

The Cincinnati meeting was attended by 30 state directors and their publicity agents.

Mr. Burgess, National Chairman Frank A. Vanderlip and others will tour Kentucky and West Virginia today and Saturday, reaching Washington Monday. Guy C. Kiddoo and Harry O. Palmer, Nebraska, are in Washington today for a conference with members of the national organization.

Mr. Kiddoo has been assigned to a tour of Atlantic and New England states, and Mr. Palmer will visit Texas, Missouri, Oklahoma, Louisiana, Mississippi and Alabama.

### HIATT CO. FILES ANSWER TO SUIT BY TREASURER

The Hiatt company and officers, answering the petition of Jesse L. Hiatt, alleging fraud and conspiracy against him, deny his allegations, but admit they deeded land near Carter lake to Julius Moylan for the sum of \$8,000. They allege they did this to keep the company from bankruptcy, and assert that the value of \$78,000, placed upon it on the books of the company, was based on speculative values, when the land had been improved.

They further allege that Hiatt has advanced and loaned the Hiatt Building company, in which he is interested, \$11,500 from the treasury of the Hiatt company and has appropriated \$2,100 to his own use on the same source. Upon discovery of these alleged irregularities, he was removed as treasurer of the Hiatt company, they allege.

The defendants allege that all letters which passed between O. C. Redlek and Hiatt were not regarded seriously as they believed Hiatt's letters to be "camouflage," to cover up his alleged mismanagement of the affairs of the company.

### ED SMITH FILES OFFICIAL BOND WITH JUDGE DAY

Ed. P. Smith, was the first of the newly elected city officials to file an official bond.

The new mayor filed a \$5,000 bond before Judge Day in district court and took the oath of office.

The judge, who happens to be a neighbor, extended felicitations. The judge and mayor-elect walk down to work nearly every morning together and in that relationship have developed a strong friendship.

But the judge is not looking for any appointment at the hands of the new mayor.

### Verdon, "Over the Top" in All Drives, Ready for Red Cross

"We are going into the next Red Cross drive and not stop to eat or sleep until we have put Verdon over the top," says J. H. Hall, president of the State bank of Verdon and local chairman of the Red Cross and the Liberty loan committee.

Verdon is in Richardson county. It has a population of 400, and so far in every Liberty bond and Red Cross drive it has gone "over the top." In the third Liberty loan drive its quota was \$31,800 and its residents took more than \$70,000 worth of bonds.

One week ago Verdon had a public sale to raise money for the Red Cross and the proceeds were \$3,300. A flag flying from a pole in the center of the town was sold at auction for \$1,300.

In making its Red Cross drive, Verdon inside of 48 hours expects to raise its quota, regardless of what the quota may be.

People of the town bought more than \$30,000 of war saving stamps and are still buying, says Mr. Hall.
