Front row, left to right: H. J. Bremer, Gerald E. LaViolette, Claudio Delitala, Ralph Waldo Norman, Edgar B. Zabriske, Edward M. Dillon, Fred J. Dahlberg.

The clarion call to arms for victory in this war has necessitated an early period for the termination of a school year in the Creighton College of Law, as well as in the other departments.

Out of the 12 junior law students of the day class, only three are placed in deferred classification of the draft lists for the army. The remaining nine expect to shoulder arms within one month's time.

The passing school year has been highly successful in the various new work that was undertaken. The staff of professors of the law department have spared no pains to graduate a learned class, and have been prominently instrumental in developing an exemplar Model House.

Fred J. Dahlberg, Telluride, Colo., has already enlisted and been accepted for training at the Great Lakes naval station. He is expected to leave soon.

Claudio Delitala, editor of La Stampa, local Italian periodical; Edward Dillon, Gerald LaViolette, and Benjamin English will soon be in military service. LaViolette is a graduate of Creighton college, arts and sciences, and a winner of five gold medals for elocution.

SCRIBES TO HOLD BIG MEETING IN OMAHA IN JUNE

The Nebraska Press association will hold a three days' social session in Omaha June 20, 21 and 22, at which little effort will be made to transact any business.

The session will open Thursday evening, June 20, with a dinner given by the supply houses of Omaha, followed by a special show for the visitors at Ak-Sar-Ben Den. Friday morning there will be a short business session, at which time Rev. Titus Lowe will tell of his experiences at the French front. This will be followed by lunch at the Live Stock exchange on the South Side.

Friday evening the visitors will be guests at dinner at the Chamber of Commerce. This dinner will be followed by some specially prepared gridiron stunts.

Saturday the scribes will journey to Carter lake for luncheon, at which time an address will be given by G. W. Wattle, food administrator for Nebraska. In the afternoon they will be given a chance to yell themselves hoarse at a Western league ball game at Rourke park.

Gayety Theater Raises Big Amount to Aid in War Work

The dimes, quarters, halves and dollars that audiences at the Gayety theater have been dropping in the baskets passed by chorus girls from time to time all season, directly after an urgent explanation from the stage to what the money was for, have all been added up now that the Gayety's season of 1917-18 is ancient history and the sum total can but give the generous hearted patrons of the theater—and all Omaha, for that matter—much satisfaction.

The gross amount of the various funds which were boosted by Manager Johnson and his assistants amounts to \$6,900.79. The funds participating in the benefits and the respective amounts collected for them were as follows: Sammys for Sammys, \$2,871.31; smileage books, \$1,707.07; Red Star Animal Relief, \$1,146.29; poor kiddies Christmas fund, \$1,176.12.

No knowledge is available of any other theater in the country having made any similar effort. Anyway, the effort and the result plainly demonstrates that 100 per cent patriotism exists at the Gayety theater. Liberty bonds to the extent of several thousand dollars were also sold in the theater. Contrary to the prediction of well-meaning people the fact of taking up the collections was welcomed by the theater's patrons as proven by the magnificent result obtained.

It surely appears that felicitous is due the Gayety theater.

HOGS AND CATTLE SWELL RED CROSS FUND OVER STATE

A shipment of live stock, donated by farmers in the vicinity of Pierce, Neb., to be sold for the benefit of the Pierce chapter of the Red Cross, arrived Saturday at the South Side market.

Eighty-one hogs, averaging 198 pounds, were sold to Armour & Co. for \$17.35 per 100 pounds, and two shearing lambs weighing 150 pounds brought \$18.50 per 100 pounds. A 300-pound stock heifer will be sold on Monday's market. The proceeds will amount to approximately \$2,800.

The load was collected through the efforts of Floran Fuchs, an old-time shipper to the Omaha market, and Dan Duff and Herman Buchendahl, farmers near Pierce. Several farmers whose hogs had already gone to market, gave their checks, which were used to buy more hogs for the shipment.

The Laird Live Stock Commission company handled the shipment without charge.

Bohemians to Hold Bazaar During Week of September 1

A "Liberty Bazaar" will be held by the Americans of Bohemian descent in the auditorium during the week of September 1. The bazaar will be given for the benefit of the Czechoslovak army, which is representing the independent Czechoslovak state, recognized by Britain, France and Italy.

Prof. T. G. Masaryk, a Bohemian leader, will probably be present during the week and deliver an address.

The Czechoslovak army is composed of volunteers who were prisoners in Russia from Austro-Hungarian armies and from French resident Czechs, and more recently from Czechs and Slovaks residing in this country. The Czechoslovaks were oppressed for 300 years by the Huns, but they are now ready to do anything to destroy the Hapsburg and Hohenzollern dynasty to help the allies win the war.

The letter is written in a humorous vein, but contains a serious recommendation of the treatment afforded Uncle Sam's soldiers "over there."

"They are feeding us in true American style," he writes.

MAUDE TO LOSE HER HEE-HAW BRAY BETRAYS ARMY TO FOE

"Secret Service," a civil war play, will be given by the graduating class of the Central High school at the Gayety theater Saturday night, May 25.

The leading part, "Captain Thorne," will be taken by Robert Buckingham, and the role of Edith will be played by Miss Clara McAdams. Miss Dorothy Arter and Herluf Olsen will take the second "leads."

Because of war conditions the price of admission has been lowered so as to provide merely for expenses. Ticket selling committees have been appointed and are canvassing the school. Miss Jessie Towne and Harold Mulligan are coaching the play.

Graduation festivities will be moderated because of the national crisis. The annual banquet will be held as usual. The baccalaureate sermon will be delivered by Rev. Titus Lowe at the First Methodist church Sunday morning, June 2.

Get Your Hudson Super-Six Now

Delay May Make It Impossible

Hudson production is not keeping pace with Hudson demand.

It is quite probable that those who buy now will soon be offered premiums for their cars by those who will then want Super-Sixes. Present conditions indicate as much.

Motor cars are now required for more and more needs. Restricted railway facilities make their use more imperative than ever.

The production of cars is diminishing. Good cars are in great demand. Prices on some have already been advanced for the second time within the past six months. Reduced production is responsible. Cars which have proved their reliability are in first demand. Their supply will be the first to give out.

For two and a half years the Super-Six has led all other fine cars in the volume of sales. More than 50,000 users know its reliability.

There is no doubt about the Super-Six except how long you will be able to get one.

Prompt delivery can now be made of several of the ten different body types.
