

Cotton Wash Fabrics in a Wonderful Array

Buy Your Supply for Summer Wearables Now at Very Low Prices

White and Colored Wash Materials

For Blouses, Suits, Skirts, Undermuslins, Infants' Wear, Etc.

The broadest and most comprehensive stock that we have shown in a long while, and, considering the fact that the market quotations on these fabrics are sky-high, it is a duty you owe to yourself to purchase liberally in this sale and save the difference between the prices we quote and those we would have to quote if we were to go in the market today and purchase.

Imported Honey Combed Skirting, beautiful finish, pure white and soft (no starch should be used in laundering); 40 inches wide and extra special, a yard **85c**

42-inch White Gabardine, fine twill, fine wool finish; beautiful fabrics for suits and skirts; special, at **\$1.25**

White Novelty Voiles, new collection; in a wide range of patterns to select your dresses and blouses from; 36 and 40 inches wide; a yard **59c**

IT IS A fine commentary on the prestige and buying power of this great store, to be able to offer at this time such a complete stock of fabrics (that in many instances are going higher and higher in price in the wholesale market daily), and show them here now at figures that are well below those we would have to ask if we were to go out and reorder.

To the woman who contemplates making Summer Wear of any kind, this opportunity will give her chances to save that may not be equalled in years.

A WORD TO THE WISE—SHOP EARLY

Buy a "Bohn Syphon" Refrigerator
(Seamless, Porcelain Lined)

The patented syphon in all "Bohn Syphon" Refrigerators has been worked out by experts and gives a more rapid and definite circulation of air than any other system, and assuring a perfectly dry box.

Porcelain is the ideal lining for a refrigerator. It is a hard, smooth surface that is easy to clean. The porcelain lining in the "Bohn Syphon" Refrigerator is made in one piece and all corners are rounded.

The ten thicknesses of material used in the construction of the wall insure absolute insulation and surprisingly low temperature with small ice consumption. The cases are all genuine oak, very highly finished.

Bohn Syphon Refrigerators, up from \$47.50
"Laurel" Gas Ranges deserve consideration. Before you place your order, come in and let us show you.

Stout Women particularly require durable Corsets—Millions of them find

Nemo Corsets Most Serviceable
They not only wear longer than others, but they hold their shape much better. This is due to the distinctive Nemo method of construction, by which all "stretch" is taken out of the carefully selected materials before seams are sewed.

Self Reducing Models Are Most Popular for Stout Figures
These famous Corsets actually reduce the figure by inches and pounds. They drive away flesh easily and rapidly.

Nemo Self-Reducing Corsets Are Moderately Priced—From \$3.00 to \$6.00

Won't you let us help you select your model soon and fit you expertly?

We also carry a complete line of Nemo Brassieres in all sizes, very moderately priced, at—
\$1.00, \$1.50, \$2.00
