

### STATE MEETING OF EASTERN STAR OPENS IN OMAHA

More Than 1,000 Delegates, Representing Over 200 Chapters, Here for 43d Annual Convention.

More than 1,000 delegates, representing more than 200 chapters, and 20,000 members of the Order of the Eastern Star, in Nebraska, assembled at the Masonic temple Tuesday morning for the opening session of the 43d annual convention of the order in this state.

Outside Omaha, the largest representation was from Lincoln, more than 30 delegates attending from there.

J. E. Bednar of Omaha is grand sentinel of the order. The convention is honored by the presence of two national officers of the order. They are Mrs. Margaret Wheeler of Los Angeles, Cal., most worthy grand marshal, and Mrs. Josephine Swigert, Ord, Neb., most worthy grand matron.

Visitors From Iowa. Iowa grand officers attending are Miss Anna Stilwell, worth grand marshal, and Mrs. Clara Hughes, grand secretary. Mrs. Mahala Grove, grand warden of North Dakota, is also a guest. Monday the visiting grand officers were entertained at luncheon in the banquet hall of the temple.

The morning session was devoted to patriotic exercises and to the reception of distinguished guests and visitors, and to welcoming delegates. A business session was held in the afternoon, at which reports of the grand officers were read, and addresses made by the grand officers. Memorial services were held for members who died during the year and the children of the Order of the Eastern Star home were introduced to the assemblage.

Memorial for Young. Memorial exercises for the late Frank Young were held in the afternoon under the direction of past grand officers. Mr. Young was president of the Order of the Eastern Star home board at one time. He was drowned at Palm Beach, Fla., in December, 1917, while sailing in a small skiff. The formality was supplemented by 27 children from the orphanage homes at Fremont and Plattsmouth who marched impressively in front of an altar where each placed a red rose in memory to Mr. Young, founder of the homes. The procession was led by Miss Irene Simpson of Omaha, daughter of the grand matron.

The Order of Eastern Star maintains three orphanage homes in the state, two at Fremont and one at Plattsmouth. Alpha Morgan of Broken Bow is acting president of the home board.

Members of Homes. Following are the members of the homes: Girls' home at Fremont: Mrs. Bess M. Bauer, matron, Margaret Martin, Ada McFarland, Kate M. Allen, Nina C. Allen, Thea C. Schlotman, Lucille Schlotman, Bessie C. Eastman, Catherine Treadway, Laura Treadway and Edna Booman.

Boys' home at Fremont: Mrs. Sadie D. Boorman, matron, Homer I. McFarland, George E. McFarland, Glen E. Truax, H. Eugene Truax, Edward B. Schlotman, Bernard C. Schlotman, Sydney K. Eastman, Frank C. Eastman, Stanley P. Eastman, Edna F. Boorman and William Duane Treadway.

Children's home at Plattsmouth: Mrs. Hazel B. Smith, matron. Ruth F. Klossner, John G. Klossner, Sylvester Klossner, Burke Smith, Sanford Burke, Marvin Cole and Claude H. Cole.

The evening session consisted of a patriotic ceremony followed by a reception at Scottish Rite Cathedral.

Pool Hall Vags Arrested. Thirteen denizens of lower Douglas street were arrested Tuesday afternoon and charged with vagrancy. All were corralled in a pool hall at Fourteenth and Douglas.

### OMAHA MEN KEPT BUSY AT CAPITAL

Manley and Gamble Have Conferences Over Flying Field, River Work and Nebraska Affairs.

Washington Bureau of the Omaha Bee, 1311 G Street.

Washington, May 14.—(Special Telegram.)—Commissioner Manley and John Gamble, chairman of the executive committee of the Omaha Chamber of Commerce, after spending several days in New York, again got busy with the various departments of the government today and under the protecting wing of Congressman Lobeck and ex-Congressman D. H. Mercer, and had interviews with a number of heads of bureaus.

They had a conference with Colonel L. C. Brown of the signal corps with reference to leasing, through the Chamber of Commerce additional ground for the flying field at Fort Omaha.

While the colonel did not indicate how much ground would be required, or when, the Omaha boosters came away in a very well satisfied frame of mind.

Interest in Liberty Loan. Colonel Brown was in Omaha during the recent Liberty loan drive and he was enthusiastic over the interest shown. He spoke highly of the work being done at the Fort Omaha ballroom school and expressed himself as much pleased with the way the Omaha people had gone about constructing roads about Florence field.

The Omaha representatives also had interviews with W. R. Beatty of the Department of Agriculture in reference to the standardization of war garden work throughout Nebraska, and also with John B. Densmore, director of federal employment of the Department of Labor.

Missouri River Interests. Later they called on members of the Inland Waterways commission in connection with Missouri river navigation work in and out of Omaha, endeavoring to enlist the commission in certain features of federal co-operation.

W. H. Harrison, 3d, a grandson of the late Alvin Saunders of Omaha, has been ordered to the officers' training school at Princeton university, preparatory to receiving his commission in the aviation branch of the signal corps.

F. V. Lawson Chairman Danish Auxiliary of the Red Cross

Frank V. Lawson, attorney, has been appointed chairman of the local Danish auxiliary of the Red Cross and will be in charge of the campaign during the Red Cross drive, from May 20 to 25. Headquarters of this branch will be at 748 Omaha National bank building. A special meeting will be held at the Independent Order of Odd Fellows' hall, Twenty-fifth and Leavenworth streets, Thursday evening, when a working committee will be organized of men and women representing all local lodges, churches and societies.

Grand Jury to Investigate Charges Against Windheim

Charges of destroying food products against H. G. Windheim, president of the Nebraska Seed company, the result of the dumping into the Missouri river last Saturday of a large quantity of onion sets, will be investigated by the federal grand jury, which convenes in Omaha next week. The hearing set for Tuesday morning before United States Commissioner Neely was set over until after the findings of the grand jury are made known. Mr. Windheim is at liberty under \$1,000 bonds.

Seward Car of Hay Donated

Red Cross Sells for \$300

Patriotic citizens of Seward, Neb., donated a carload of hay to the Red Cross. The hay was sold in the Omaha market and brought \$25 a ton. The carload contains more than 10 tons and the sum realized for the Red Cross was nearly \$300. The A. W. Wagner Feed Company was the purchaser.

### POSITIONS WITH NO SALARIES NOT TO BE DISTURBED

Mayor Smith Says He Will Not Change Personnel of Welfare, Recreation and Library Boards.

The new city administration is getting down to serious business. The first regular city council meeting, following the organization on Monday, was pushed through with a snap by Mayor Smith at the gavel.

"I do not intend to disturb the personnel of any of the nonsalaried positions, announced the mayor, referring particularly to the Board of Public Welfare, Board of Public Recreation, Public Library board and City Planning commission. The mayor met with the Welfare board on Monday night and obtained an insight to the workings of that branch of municipal service.

Commissioner Towl, head of the public improvements department, is rearranging the office space which is occupied by his staff. He will have his office in the center of the east part of the fourth floor, with city engineer, assistant engineer and chief draughtsman close at hand. The planning board rooms will adjoin the engineering department.

"I want to consider the convenience of the public in this rearrangement," the commissioner explained. Commissioner Ringer of the police department has no decisions as to prospective changes in his department.

Meant What He Said. "I want to look over the situation carefully and any changes that may be made will be ordered only after careful thought," he said. "As yet I have made no new appointments, nor have I decided on any. I told Chief Dempsey that every word I uttered during the campaign was said in good faith and made it clear to him that I would expect an uncompromising enforcement of the laws."

Job seekers continue to visit the city hall. The first appointments will be announced at a meeting of the city council on Thursday morning.

The consolidation of city clerk's office with department of accounts and finance will be one of the first changes to be considered.

Mayor Smith has accepted the resignation of Harry B. Fleharty, city solicitor.

John Donahue Mentioned. John Donahue is slated for the position of general foreman in the street department, to succeed Dean Noyes, who has been receiving \$250 a month. Mr. Donahue has been engaged in grading contracting business and has been in St. Louis for more than a year. He owns property in Omaha and is related by marriage to John and Pat Dennison of the city hall.

### STREET RAILWAY GIVES MEN FIVE CENT INCREASE

Directors of the Omaha and Council Bluffs Street Railway company have voted another raise to the employees of the company. Conductors and motormen, all of whom were given a 2-cent boost May 1, have been voted another raise. This time the advance is 5 cents an hour, which will make the schedule of pay 35 to 40 cents. On May 1 the schedule was advanced to 30 cents for beginners with 35 cents the top wage.

"This advance which we have just voted to the men will absorb all the funds in our treasury which were available for paying dividends," said G. W. Wattle, president of the company.

"We realize that we must pay the men this greatly increased wage to hold them. We have fast been losing men who are attracted by better pay to other lines of work. We hope by this substantial increase to hold the men."

Try This If You Have Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.

### THREE YEARS OF SUFFERING IS NOW AT AN END

Anderson Says There May Be Other Medicine As Good As Tanlac But He Has Never Found It.

"I have never been a man to praise any kind of medicine, but I can certainly say something good for Tanlac," said Robert Anderson, while in the Sherman & McConnell Drug Company's store at 16th and Dodge streets, recently. Omaha has been Mr. Anderson's home for more than thirty-five years. He lives at 2216 Main street and has been janitor and fireman at one of the public schools here for several years.

"Before I got Tanlac," Mr. Anderson continued, "I was suffering, and had been for three years, with indigestion and a number of other ailments. My stomach was in such an awful shape I thought I never would get any better. I had no appetite, as a rule, and what little I did manage to eat seemed to do me no good. I couldn't digest anything properly and was so nauseated after meals that I could hardly retain what I had eaten. My stomach was sour and full of gas, which bloated me up terribly. I suffered from headaches, biliousness and dizzy spells and just felt played out and miserable all the time. I paid out lots of money for treatment and medicines of different kinds but nothing helped me to get well.

"There may be other medicines as good as Tanlac for troubles like I find, but I have never been able to find them. I began to improve with my first few doses of Tanlac. My appetite gradually came back and I soon got so I could eat most anything without feeling any bad effects from it. I have now taken three bottles and I never feel a sign of indigestion. The biliousness, dizziness, headaches and all my distressing symptoms are gone and I'm feeling just fine. I am now taking on weight and getting stronger right along and certainly think Tanlac is worth recommending to everybody."

Such statements as the foregoing should appeal directly to the thousands who suffer from the same troubles. Most people who suffer from nervousness and dizziness, stomach and liver troubles, headaches, backache, kidney derangements and who are in a general run-down condition, simply need something to tone up their system and to assist the vital organs in performing their proper functions. Tanlac is a powerful reconstructive tonic and always produces most gratifying results.

Tanlac is sold in Omaha by Sherman & McConnell Drug Company, corner 16th and Dodge streets; Owl Drug Co., 16th and Harney streets; Harvard Pharmacy, 24th and Farnam streets; Northeast corner 19th and Farnam streets, and West End Pharmacy, 49th and Dodge streets, under the personal direction of a special Tanlac representative.—Adv.
