FOR OMAHA, 1-

St. joseph, Mo., May 18.—(Special Telegram.)—Omaha won from St. Joseph today, '1 to 0, the game being marred by continual wrangling with Doyle, who was far off color in all of his decisions.

Lingle opened the scoring for the Rourkes in the third when he singled to left, took second on O'Toole's Earned runs: Omsha, 1. Base on sacrifice, went to third on Bashang's out at first and stole home after Jackson had been passed.

Donica flew out to center. This was the only score made by the Rourkes; although they threatened heavily when a man reached second sase. In that frame Donica walked and was given a base on balls by Luschen, who succeeded Curtis on the mound when the latter retired to allow a pinch hitter to bat for him. O'Toole Pitches Good Ball.

O'Toole pitched good ball on his first appearance of the season and was given excellent support. The uled for this season: sorrel top was cheered by the appear-ance of Billy Kelly, his former Pitts-burgh and St. Paul team mate, and the two held a fanning bee between

The umpiring of Doyle was the worst seen here in several seasons and was farcial at times. A terrific wind blew across the field throughout which blew across the field throughout the game, making it almost impos-sible to correctly judge a fly ball. The attendance was only 502, but threatening rain probably kept many away. A double header will be played tomorrow.

Young, in Stealing Second, Collides With Blackbourne, Spiking Him, and Zimmerman Crashes Into Allen.

Cincinnati, May 18 .- The New York team stopped Cincinnati's winning streak by winning today through the early innings. A hit by Young, a stolen base, a passed ball and a sacrifice fly gave New York one run in the first and they scored three more in the third on four singles and a stolen base. Schneider relieved Smith in the fourth and pitched well. Sallee was effective in every inning but one, the seventh, when Cincinnati netted two runs.

Young, in stealing second, collided with Blackburne and spiked him on the foot, but Blackburne was able to continue after a long delay. In the seventh Zimmerman, on a double steal, crashed into Allen and sprained the latter's left ankle so badly that he had to be carried off the field and will not be able to play for several weeks. **Teams Practically Certain to** Survive Season, Despite Adverse Conditions.

By FRANK QUIGLEY.

When the whistle blew this season, the Omaha Amateur Baseball assohard hitting of George Smith in the ciation answered the call with five leagues, comprising a total of 33 teams. It is only one league shy. At the present writing, the Greater Omaha league is intact. The City league is short one team and will cross the wire next fall with five

> teams. All of the American league teams are sticking like glue and it is a safe plunge that they will all be on deck

> at the termination of this season. It is a wonder that more of the teams in the Booster league have not aviated. A couple of them have taken some extra heavy defeats, but appar-ently are not discouraged and are plowing away harder than farmers. This league contains eight teams.

### Creams Melt Away.

Evidently the Graham Ice Creams of the Intercity league couldn't stand the hot weather and melted away. They were rather soft as long as they lasted. This blow-up leaves this league with five teams to battle for the rag.

So fans, you can plainly see that the association is still as firm as the rock of Gibraltar and unless something unforseen germinates, it will finish in a blaze of triumph, regardless of the scarcity of material.

Since the new ruling that protests have to be accompanied with five rocks, the managers of the various squads think twice before protesting, and the second thought generally saves a greenback.

Managers Frank Jacobs and Joseph Wavrin of Holmes and Luxus parks, respectively, wish to extend a cordial invitation to those who happen to be a proud possessor of a pass to bring said infroduction with them, otherwise they will have to dig up two bits.

With the pass it only costs three centa war tax. Without it an additional 22 cents. So pass holders bring your passes today because said rule becomes effective today.

On the green at Holmes park the Beselins and the Holmes will fight to ascend from the cellar of the Greater Omaha league. To date

neither one of these teams has dished up the brand of base ball looked for by followers of Omaha's majof amateur league. It is problematical just who Roy Stacey will put on the firing line, while either Baker, Zink

or Grant will slide 'em over the crockery for the Holmes. A pre-liminary game will be rolled on the boards between the Trimble Bros. and the Florence Merchants of the

American league at 1:30 p. m. A large gathering of fans and fanettes will probably decorate the side lines and bleachers at Miller park to witness the duel between the J. B. Roots and Trimble Juniors for the honor of the temporary leadership

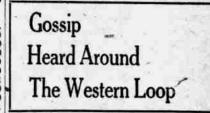

of the Booster league. So far this season neither team has lost a game and they stand at the head of the class with a percentage of 1.000. Un-doubtedly this game will be a knock-out from the tinkle of the gong until the abestos drops. It will shoot in at 3:30 p. m. Sandlot Gossip.

For the Polarines, Wilson Atkins sewed up the game against the Red Crowns with a crack for four cushions.

Paul Kelly, who is twirling for the Polarines, looks rather sugary. Some Class A Sunday magnate ought to try and nip him.

Sunday magnate ought to try and nip him. Carl Luebbe is going to be a demon fence buster. He sipped one against the Phillips store for the limit. With the bases chucked, Miller, the hoister for the Social Settlements, lifted one over the fence at Lurus park for a home run against the Sample-Harts. Manager Doison is unusually quiet this season about the Stags. Anyway they are soing good.

· Emmet Mulvey, turned adrift by Joplin, was signed by the St. Louis Browns and then gent to Baltimore under option. Mul-vey kicked on the salary offered by Joplin. When Catcher Pat Collins hit a home run

which sailed over the bull sign, enthusiastic fans subscribed \$63 to a fund to give Col-lins. He announced he would buy a Liberty bond and thrift stamps with the coin.

Toledo has recalled Pitcher Ray Saunders from Joplin. Toledo drafted Ray last fall, then sent him back to the Miners this spring, but a shortage of twirlers com-pelled Bresnahan to demand him again.

Peoria fans are reported to be sore be-cause Tom Pairweather failed to transfer the Des Moines club to that city, and they accuse Thomas of using Peoria as a whip to

stir Des Moines fans to support the team. Al Hartman, the little southpaw who Al Hartman, the little southpaw who alternated between the box and right field with Denver last year and this spring, was given a trial at Topeka, but failed to cut the mustard, has joined the Spokang club and is holding down a regular outfield

Married. Indianapolis has purchased Hank Butcher from Fort Worth. Denver sold Butcher to the Texas club last winter after all the Western teams waived on him. He has been hitting less than .200 at Fort Worth-Class B company, too. McGill must have singled him out for eld-times sake. Yes. Yes, No. Yes. No.
