Don't Ask Why---But Give TO THE RED CROSS

Better, far better, that we should over-subscribe millions than to have one soldier boy want for a single comfort or a bit of attention while he is fighting the greatest battle that the world has ever seen.

75% of the wounded would die if it were not for the aid given them by the Red Cross. And remember that every soldier you save brings the war nearer to an end—every dollar you give to the RED CROSS means solace and comfort to a soldier in time of direst need.

A RED CROSS BOOTH will be opened on the Main Aisle of our First Floor, Monday, and patriotic women will be ready to receive your subscriptions.

Jack Connors
 the eight-year-old worker who obtained more than \$70,000 for the Liberty Loan, will be here to talk for Red Cross, and do his bit every day next week. Reach down deep into your pockets and pour voluntary contributions into the most humane organization the world has ever seen.

Appreciation:

To Mr. Howard Baldrige, we desire to express our appreciation for the splendid short address made to our employees last Wednesday evening, on behalf of the RED CROSS DRIVE.
