

HUSBAND LOSES HEART BALM; HIS BRIDE REJOICES

Hyman Goodwin Gives Notice of Appeal in Damage Suit Against Wealthy Parents of Estranged Wife.

Mrs. Sarah Goodwin, bride of a few months, rejoiced Monday, when her husband, Hyman Goodwin, lost his suit for \$25,000 heart balm against her parents, Mr. and Mrs. Hirsch Fogelson, a wealthy couple of Lincoln.

Judge Willis G. Sears, sitting in the district court, dismissed Goodwin's case, showing that he figured in a former divorce suit in Wisconsin.

"He's not the right sort of a man for me," commented his bride, as she left court with her parents. "I would not go back to him under any circumstances."

Goodwin's lawyers asked that the suit be dismissed without prejudice, indicating their intention of taking the case to a higher court.

Contention of Parents.
Contention of attorneys for Mr. and Mrs. Fogelson was that the present marriage is illegal owing to the fact that Goodwin was divorced less than a year at the time of his marriage to Sarah Fogelson. The Wisconsin decree does not become operative for 12 months after the date of its entry.

Shortly after Goodwin and his wife were wed in Lincoln, the parents of the bride endeavored to have the marriage set aside, claiming illegality on account of the former divorce. The Lincoln court declared the present marriage to be binding and valid January 4 and gave the parents three months in which to enter an appeal. This appeal was not made, the decree of the court therefore becoming final May 5.

K. LILJENSTOLPE, SWEDISH WRITER, DIES IN BENSON

Knut Victor Liljenstolpe, prominent in Scandinavian circles and a resident of Omaha for 33 years, died at his home in Benson Sunday. He was 66 years old. He was born at Hassel, Smoland, Sweden, and came to this country in 1878, settling in Omaha in 1885.

He is survived by his widow, two sons, Carl of Scottsbluff, Neb., and Otto of Omaha; three daughters, Katherine, Marguerite and Mrs. W. J. McCaffrey; two brothers, Colonel C. Liljenstolpe of Mount Clemens, Mich., and Captain A. L. Liljenstolpe of Stockholm, Sweden, and a sister, Miss Ellen Liljenstolpe of Stockholm.

Funeral services will be held at 2 o'clock Wednesday afternoon at the home in Benson.

Mr. Liljenstolpe entered the employ of the Union Pacific in 1885, and in the same year was married to Anne Marie Wretling. He retired from the Union Pacific in 1914. Since then he followed his literary inclinations as "Hansel" in "E. P. Lots" he wrote for Swedish papers in the United States, and for the Svenska Dagbladet of Stockholm, Sweden. He edited the Omaha Tribune during 1889-90. In 1876 he toured the Scandinavian countries as a member of the Arpi chorus of Upsala.

Spring Grain Suffers; Lack of Rain Shown in Report

According to the Burlington's Nebraska crop report for the week ending Saturday, the comparative figures on winter wheat for last week and the previous week, based on the idea of 100 per cent for perfect conditions, are:

Division	Last week	Previous week
Omaha	77	81
Lincoln	79	83
Wymore	84	85
McCook	92	90

Spring grain, wheat, oats and barley suffered considerably last week on account of a lack of rain and still more by reason of the high wind that is reported to have been general over the state. There were showers, but they were widely scattered and as a rule the precipitation for the entire period did not exceed one-fourth of an inch.

Flowing for corn has been finished and a greater portion of the planting done. However, it is asserted that of the corn planted recently, on account of the dry condition of the ground, not much of it has sprouted. Early planted corn is beginning to show through the ground and in some instances cultivation has commenced. Sugar beets are reported as doing fairly well, but not so with potatoes. Their growth is slow.

The pasturage is not up to normal condition for this season of the year.

Many Ask to Be Excused From Federal Grand Jury

Owing to the unusually large number of requests to be excused from service on the federal grand jury that body will not convene until Wednesday morning. The jury was to have convened Monday morning, but 16 men, the minimum, were not available. Many of the 32 men summoned for service were farmers throughout the state, who stated that to serve on the jury for two weeks or more would endanger growing crops. Federal Judge Woodrough was lenient with this class of men.

U. S. Flier Downs Teuton Plane Over Huib's Lines

With the American Army in France, May 20—The German biplane brought down yesterday by Captain David Peterson of Honesdale, Pa., his third since May 8, was conquered after a fight five kilometers within the German lines.

Peterson and another pilot came upon two enemy machines, one 2,000 meters high and the other 3,000. The Americans each picked out an enemy airplane and attacked it.

Captain Peterson, diving on the tail of the one 2,000 meters high, fired 30 shots at close range. The enemy went into a spinning nose dive and crashed to earth. The other enemy machine escaped.

DEGREE OF HONOR AGAIN IN COURT AS LINES TANGLE

Officers of Washington lodge, No. 27, in an amended petition filed in district court Monday, assert that Mayne H. Cleaver, grand chief of honor of the Degree of Honor, has ignored the restraining order issued by Judge Troup and ask that it be enforced.

In the original hearing members of Lodge 27 charged that Mrs. Cleaver interfered with its work and tried to dissolve the order because she was not considered in all matters.

The amended petition by officers of Lodge 27 alleges that Mrs. Cleaver has persistently interfered with its work and has organized another lodge with the idea of disbanding the old order.

It is further alleged that she called a meeting of members of the old lodge at the Paxton hotel May 9 and ordered them to sign up with the new lodge or lose their insurance in Lodge 27.

FIFTY READY TO ENLIST AS BAND BEGINS TO PLAY

Naval Recruiting Week Opens in Omaha With Music, Oratory and "Lynching" of Kaiser.

Martial music by a band of 50 pieces, a speech by Police Commissioner Ringer, and the arrest of the kaiser in effigy, were some of the attractions at navy headquarters Monday, the first day of the week's campaign for naval recruits.

More than 50 young men crowded about the station to enlist. Most of them were accepted and at noon they left Omaha for naval training stations throughout the country.

One thousand recruits from the Omaha district during "navy week" is the goal of those in charge of the big drive.

Governor Neville of Nebraska, the governor of South Dakota, and Mayor Smith have issued proclamations endorsing the campaign and urging citizens to give the drive their best support.

More than 50 branches of naval service are open and recruits will be given their choice. Drafted men also are eligible for enlistment in the navy, if they do not want to wait until almost time to be called by their draft board.

Trained in Mechanics.
Men with some mechanical knowledge will be sent to government schools and trained by experts. Columbia university and two other famous colleges are being equipped to receive the sailors. Naval officers say that the government will give the students the most wonderful mechanical training in the world. Civilians are not permitted to attend and only sailors who swear secrecy will be allowed to enter the schools.

The special training includes airplane mechanics, coppermiths and machinists mates.

Great Lakes Band Coming.
The Great Lakes naval training station band will arrive in Omaha early in the week to participate in the drive.

Martial music, patriotic speeches and surprise stunts will feature the campaign. Many jacksies from various training camps throughout the country are in Omaha to do their bit to get shipmates.

A new big electrical navy sign is being used during navy week. A poster of Kaiser Bill will be covered with names of the men who enlist until the hated picture is obscured by the naval honor roll.

Ensign Condit is in charge of navy recruiting in the Omaha district. The following slogans will be used during the naval drive: "Safe Seas," "Remember the Lusitania," and "Guard the Pathway 'Over There.'"

Brother in Army Leads 'Doc' Hoffman to Enlist, And Now He's Off to War

Dr. Charles Hoffman, dentist, was inducted into the service of Uncle Sam Monday morning by local board No. 4 and left for Fort Logan, Colo.
His brother, Dr. John Hoffman, left with Omaha's last draft contingent and wrote such glowing tales of army life the brother at home sought enlistment at the earliest date. His place in the draft would not have required his serving for nearly a year.

Vagrants and "Floaters" Find Little Peace in Omaha

Vagrants and "floaters," charged with sedition, and others arrested on charges of drunkenness, to the number of 20, were arraigned in police court Monday morning. Eight were given jail sentences, four were fined, and the remainder were discharged after receiving orders to leave the city.

Lon Traynor, 21 years old, of Huron, S. D., was amongst "those present." He was arrested on a charge of vagrancy, police alleging that he had not worked for several weeks. He was asked why he had not enlisted in the army or navy. Traynor replied: "Oh, I'm just waiting a little while." He chose to serve a 15-day jail sentence in preference to enlisting in military service.

John Sulmen, Webb hotel, was fined \$10 and costs for being drunk; Michael Samek, Thirteenth and Vinton streets, was fined \$10 and costs on the same charge, and three negroes, arrested on a vagrancy charge, received 60-day suspended sentences.

Brother of Mrs. Herdman Files Paper in Divorce Suit

Mrs. Kathryn Herdman, suing Lee Herdman for divorce in district court on the grounds of alleged cruelty, is absolutely without means of support for herself and two minor children, with the exception of funds supplied by her husband, according to an affidavit filed in district court Monday morning by John F. Flynn, brother of Mr. Herdman.

In the affidavit Mr. Flynn states that Lee Herdman has been contributing \$175 a month for the support of his wife and children for the last several months and asks the court to name \$200 monthly as a fit and proper amount for Mr. Herdman to contribute toward the support of his family pending the outcome of the proceedings in the case.

Nebraska Escapes Killing Frosts Which Hit North

Heavy to killing frosts were reported to the weather bureau in North Dakota and northern Minnesota Sunday night. Light to heavy frost extended over northern Wyoming and Montana. The frost was dissipated, however, before reaching Nebraska, where the lowest temperature for Sunday night was reported at Holdrege, the temperature at that point falling to 42 degrees above. Omaha's lowest temperature for the last 48 hours was 51 degrees above, reported early Monday morning.

"I'd rather have this house—the bathroom is beautiful!"

Perhaps no room in the house so well expresses the character of the family that lives there as the bathroom.

Every woman appreciates a modern bathroom, so much so that often it proves the deciding factor in the purchase or rental of a home.

An old-fashioned, unattractive bathroom may be the reason your house has not rented easily or found a ready purchaser.

And its other attractive features are discounted by old-fashioned plumbing, which does more than anything else to brand the house "out of date."

You can, so easily, with a Thomas Maddock bathroom equipment, change that house or apartment from a liability to an asset and at so much less cost than you think, that it will pay you to call and have us tell you about it. Ask us to tell you about the Maddock way.
