

HERE IS THE GROUND THAT
THE OVERLAND TIRE AND RUBBER COMPANY
BOUGHT

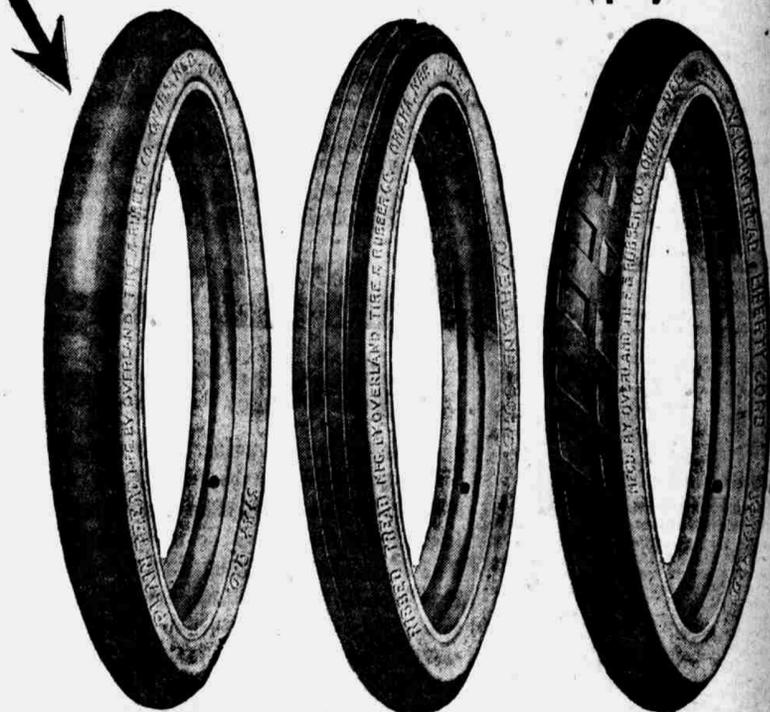

The Overland Tire and Rubber Company Have Purchased Over 5 Acres Running from 30th Street to 31st Avenue and from Taylor Street on the North to the Missouri Pacific Belt Line on the South and Have Optioned 12 Additional Acres Adjoining. **VERY EARLY THEY WILL COMMENCE BREAKING GROUND FOR THEIR FACTORY**

Here is the Factory Which The Overland Tire and Rubber Co.

is planning to build. It will be constructed exactly as this picture shows as far as architectural engineering and construction will allow. They believe that their factory, when completed, will be the largest tire and rubber factory west of Akron, Ohio.

Here are Some of the Tires that Will Be Manufactured by The Overland Tire and Rubber Company

Overland Round Tread Overland Cord Ribbed Tread Overland Liberty-Cord Vacuum Tread

The Overland Tire and Rubber Company will not only manufacture a full line of rubber and fabric automobile tires, but they will make cord tires, truck tires, inner tubes, etc. Also they will equip to manufacture the first day they open for business, about 100 separate and distinct mechanical and surgical rubber goods. This will be a real rubber factory.

DIVIDENDS
 The Overland Tire and Rubber Co. said, in the columns of this paper on March 12th, that they believed no man would have his money in this company to exceed 24 months, when he would receive not less than 30% on his money invested.

Here is How Dollars Have Grown When Invested in the Stock of Tires Company
