BURGESS-NASH STANDARDS ARE NEVER LOWERED

Merchandise of Quality at Lowest Prices Always

That's the foundation stone upon which this splendid business is building.

It's the foremost ideal of our business policy—in an effort to be of "the greatest service to the greatest number,"—that our co-operation may be keener and our merchandise more worthy.

This store cherishes a confidence begotten of the ceaseless desire to supply service in merchandise—that quality which means True Economy.

To turn to an institution whose foundation is built on quality is to safeguard the character of the merchandise you buy.

Quality today is of much more concern than price.

Unreliable merchandise, no matter how cheap, is sheer waste. In the long run, quality—price for price—outlasts the flimsy or the imitation.

Be Patriotic on Decoration Day Decorate Your Home With Flags

EVERY true American will hang out Old Glory to the breeze next Thursday in honor of our heroes who have passed on, for the boys who are "Over There" and those who are in the training camps preparing to go over.

Our stock of flags is very complete and at moderate prices.
