## SEIZE SOLDIER CHARGED WITH STEALING WHEAT

Private Glasscock of Canadian Army, Arrested Near Auburn, Taken to Lincoln for Hearing on Extradition.

Auburn, Neb., May 31.-(Special.)while on furlough preceding his going overseas for active duty, was arrested at the home of his parents at Nemaha, by Sheriff Rogers.

Glasscock is wanted at Great Bend, Kan., on a charge of the embezzlement of a lot of wheat from a farmer for whom he worked. It is alleged during the absence of his employer Glasscock loaded several wagons with wheat, drove to town, marketed the grain and absconded with the money. After being arrested by the Nemaha county officer he refused to go back to Kansas to answer to the charge, and was taken to Lincoln today, for a hearing in regard to his requisition before the governor.

It is said that the colonel of the regiment to which Glasscock belongs has demanded that the soldier be turned over to the British authorities and Sheriff Rogers contends that the demand, which is in the form of a letter, has been forged by his pris-

## GRAND TOTAL IN **RED CROSS DRIVE** HERE \$440,000

Omaha's Oversubscription 120 Per Cent. Says Chairman **Buckingham in Making** New Report.

Omaha and Douglas county aufscribed a grand total of \$440,000 in the Red Cross second war fund drive. Announcement of this was made by Chairman E. Buckingham Friday.

At the beginning of this week it was thought the fund would reach \$220,000. The new figure exceeds the most sanguine expectations of the most pronounced optimist at the beginning of the drive and during the early days of the drive.

The city and county quota was only

\$200,000. The oversubscription now amounts to 120 per cent.

"I feel so good over the outcome that I could shout," said Mr. Buckingham. But instead of shouting he gave out the following statement:

Temporary Offices Closed. "The second war fund drive of the Submarine in Mid-Ocean Red Cross is over, and the temporary offices in the Keeline building have been closed, and a cashier for receiving payments and pledges has been located in the Red Cross offices in the court house.

"The total subscription will amount to approximately \$440,000, made by about 70,000 people, as compared with 10,000 subscribers to the last drive, The committee are especially pleased with the large subscriptions made by foreign corporations and firms, and also with those from the Nash and

the Hoagland interests. "The success of the drive, however, was due more to the splendid organization of Messrs, Caldwell, Cutler, Peters and Switzler, and to the energy displayed by the various chairmen and captains in carrying out their instructions, and also to the subscriptions made under the one day's wages slogan. Thanks are especially due to the women's committee under Mrs. Judson, to the church and school organizations, to organized labor, and, particularly to the people at large,
