

TWILIGHT RACES OF SPEEDY ORDER DRAW BIG CROWD

Spirited Competition on Fine Track Furnishes Fine Sport to Lovers of Horses; More on Today's Card.

The first twilight race meeting in the United States was held last night at the Douglas County fair grounds before a crowd of 1,500 speed fans.

Noble Aubrey, owned by A. L. Thomas of Benson, carried off the big money in the 2:15 trot, in which he made the first two heats in 2:14.4.

Best time was made in the second heat of the 2:18 trot by Maharba, who finished the mile in 2:15.4.

The first running race, four and one-half furlongs, was won by The Cub, who finished with only Nadine contending.

Royal T. in the second galloping contest went five furlongs in 1:33.4. The race was a stiff one in which six speedy runners competed.

In the final race, six furlongs, six jockeys brought their steeds over the finishing line. Concha carried off the honors in 1:17.5.

Dr. C. C. Hall, secretary of the Omaha Driving club, which is putting on the races, announced that the horses will start just as promptly today and the races will be over in plenty of time to allow the mat fans to see the go at the Auditorium.

More Exhibits Come Out of German Red Cross Money Misused for Other Things

Blair, Nebraska, 9-20-1915 No. 15062 Citizens State Bank Pay to the order of German Red Cross Money \$500.00

CORN EXCHANGE NATIONAL BANK 27-54 PAY TO THE ORDER OF Count Johan von Bernstorff \$600.00

More evidence is coming out day by day that hundreds of Nebraska and western Iowa people of German birth or antecedents, who poured out their dollars to the German Red Cross fund, and to the funds for the relief of German prisoners of war in Russia, or to alleviate the want of widows and orphans in Germany, were victims of the covert propaganda of Count von Bernstorff.

Pay to the order of Kuhn Loeb & Co. Count Johan von Bernstorff \$600.00

Pay to order of Kuhn Loeb & Co. Count Johan von Bernstorff \$600.00

These checks range in amount from \$100 to \$3,500. All of them went through the bank of Kuhn, Loeb & Co., of the City National bank, of New York City.

Some were made payable to Dr. Dernberg, then at the head of the German propaganda in this country, endorsed over to him by Von Bernstorff, and the money evidently used for waging secret war on the United States, then an altruistically friendly neutral.

Other checks were deposited by Von Bernstorff, subject to his own order, and the money realized in liquidation, evidently devoted to various uses but not the use intended by the donors.

The check for \$600 bearing the signature of Ernest Koenig of Omaha and made payable to Count von Bernstorff, represents subscriptions from three sources, Howells, Neb. Dunlap, Ia. and Omaha.

There are many more of these incriminating checks in existence. Bernstorff worked through a well known New York stock broker whose personal affiliation with the embassy was common talk in New York and Washington.
