

BERLIN LAMENTS AMERICAN BLOW TO CRUSH HUNS

Fall of Germanism in United States Predicted With Teutons Barred Here After War is Over.

Washington, June 13.—In the crushing out of Germanism in the United States the Kolenisch Volks Zeitung sees a disaster in a measure balancing the Teutonic military successes, says an unofficial dispatch from France today commenting on pessimistic discussion in the German press of events in the United States and quotes the Volks Zeitung as follows:

"Mr. Wilson hopes to succeed in crushing the German elements. He will succeed. The German press is already nearly crushed out of existence in America. The greater part of the German schools are closed. The German associations are having to strip themselves of all vestiges of Germanism. It is a complete debacle.

Hun Losses in America.

"It is unnecessary to be pessimistic to realize that the consequences of our European victories are in a measure balanced by the sum total of the losses we have suffered in America. All this could have been foreseen.

"After the war Germans will no longer be able to enter America, the Hamburg American and North German Lloyd lines are entered in the black book. Ship building yards and offices have been sold with the prohibition of re-selling to Germany after the war. The American press speaks of forbidding Germans to buy building yards. It will be the end of German transatlantic commerce.

"Besides these maritime forces German estates representing millions of dollars, stocks of copper, nickel, cotton, leather and chemical products have been seized and utilized to fabricate American war material."

DOUBLE HANGINGS SET FOR CHICAGO FOR THIS MONTH

Chicago, June 13.—Two double hangings set for June 14 and 21 if carried out according to court orders, will break all records for the number of twin executions in any year in the history of Cook county and 1918 is but half gone. Three of the four condemned men killed policemen.

Earl Dear, most notorious of the condemned quartet, and Lloyd Bopp are to pay the extreme penalty for murder on June 21. Dear, who obtained a 60-day reprieve from Gov. Frank C. Lowden, and still hopes for executive clemency, was convicted of shooting Rudolf Wolfe, a chauffeur, who attempted to prevent the theft of an automobile belonging to his employer, Maj. Philip Schuyler Deane, one of the organizers of a base hospital unit for service in France. Wolfe was shot January 19, 1918, and on his death bed identified Dear as his assailant. Eugene Barnett, Dear's companion, escaped with a prison sentence of 14 years. Dear previously had been many times arrested, accused of stealing automobiles.

Lloyd Bopp was twice convicted and condemned for the murder of policeman Herman Malow of Oak Park, Ill. Malow was shot fatally on June 14, 1916, and policeman Thure Lindhe was slightly wounded in an attempt to arrest Bopp and several companions who were quarreling as they sat in two automobiles.

Albert Johnson shot and fatally wounded policeman Martin Corcoran on June 6, 1917, which he admitted, pleading self-defense on the ground that Corcoran began the shooting and wore civilian clothing. Corcoran believed Johnson had committed a burglary and pursued him. Johnson is to be hanged on June 14.

Dennis Anderson, who is to swing with Johnson, was a railroad policeman and was convicted of shooting to death his superior, Lt. Patrick Lavin of the Chicago Junction railway police, on October 29, 1917, enabling the escape of several freight car thieves who have been detected.

On February 15 of this year Edward Wheed and Harry Lindrum were hanged for the murder of two men in a payroll robbery.

FRENCH SMASH TEUTON LINES NEAR SOISSONS

(By Associated Press.)
Paris, June 13.—The attack south-west of Soissons, on the front between the Aisne and the Marne, has been broken by the violent resistance of the French, says a Havas correspondent telegraphing from the front.

The enemy, he says, has made progress which is absolutely insignificant at a price of heavy losses. In addition, he points out, the German advance has been held up for several days and the morale of the German troops is suffering in consequence.

AIRMEN SILENCE GERMAN BATTERY BY MAKING HIT

French Headquarters in France, June 13.—The importance of the role of the allied air service in the fighting is daily increasing. During yesterday's operations light bombardment squadrons performed the unprecedented feat of attacking German heavy battery guns in action and silencing them by killing or scattering the gunners.

In the Picardy offensive the allied fighting planes repeatedly attacked field gun batteries with machine guns, but silencing heavy batteries by bomb attacks from the air is a new achievement in the war.

TEUTON POSES AS U. S. OFFICER TO MISLEAD PUBLIC

German Prisoner Spread Enemy Propaganda in Movie Talks to Alarm America, is Federal Charge.

Cincinnati, O., June 13.—William J. von Struckrad, German, 32 years old, of Dayton, O., whose father, he says, is a general in the German army, and whose uncle, he asserts, is Admiral von Tirpitz, officer in command of the German imperial fleet, is under arrest in Cincinnati on a charge of impersonating a United States army officer. More serious charges may be filed against him.

The arrest was made after Von Struckrad, under the name of Lt. W. Vaughan of General Pershing's force in France, had delivered a series of talks at moving picture theaters in several communities near Cincinnati.

Further evidence that Von Struckrad is a menace to America is said to have been contained in the talks he has given at the moving picture theaters.

It is said these talks were designed as a form of insidious propaganda, to convey a feeling of discouragement and fear to the hearts of his audience

STEAMER'S CREW COMMENDED FOR HEROIC RESCUES

Washington, June 13.—Commodore of Commander Hans Bied and the crew of the steamer Roosevelt for saving 701 persons and the ice-bound Alaskan merchant fleet in Behring Sea, was telegraphed to Commander Bied today by Fisheries Commissioner H. M. Smith.

A brief report on the Roosevelt's work said the Roosevelt was forced to cut its way at times through sixteen feet of ice. When found by the Roosevelt and towed to open water, the ship St. Nicholas was being crushed by the ice and would have been a total loss in twelve hours. There were 300 persons on board, including 115 from the steamer Tacoma, which was sunk. Twenty-one other persons from the Tacoma who had taken refuge on the ice were picked up by the Roosevelt. The Centennial with 160 persons and the Star of Chile with 220 also were taken to safety.

Brothers in Hun Army.
Dayton, O., June 13.—William J. von Struckrad, arrested in Cincinnati, has two brothers serving in the German army, according to his wife, who is employed in a Dayton factory.
