A CARLOAD OF COOLNESS AUTOMATIC REFRIGERATORS

WE'VE received a carload of a very important article—automatic refrigerators.

The importance of a good refrigerator these days cannot be overstated, because it is very close to the public health; to keep food good and sweet and in a clean place is one of the major rules of sanitation in the home.

And the saving of ice that is accomplished by automatic refrigerators is a big item.

Eight-wall construction, mineral insulated, outside case made of ash and finished with three coats of varnish. All food chambers are white enameled and have electric welded tinned wire shelves, automatic traps, solid brass hinges and locks, heavy nickel plated ice rack. Economical ice consumption, all are three-door side icing type.

Continuing for Saturday-- The Sale of Men's Shirts at \$1.05

Representing Savings of 1/3 to 1/2 Usual Prices

THE sample line of a big shirt manufacturer, who sold us his surplus at a big sacrifice in order to clear his stocks at once.

The materials include—
WOVEN MADRAS
PRINTED MADRAS
SILK STRIPE MADRAS
PONGEES
PERCALES
POPLINS

In fast colors, either soft or stiff cuff styles. Some have collars attached; shirts that are cut full, well made, comfortable and well fitting.

Some are slightly soiled and mused, and a few have slight imperfections, but so small that they will not impair the wearing qualities whatever.

The range of styles, coloring and pattern selection is very extensive—there are all sizes, 14 to 17 neck band represented, and we consider them the season's greatest shirt values offered anywhere.

Come prepared to buy a season's supply, for that's what you will do when you see the values offered.
