Umpire Meyers' work has been the cause of a great deal of dissatisfaction ever since he relieved "Con" Daley here a week ago. Both teams have suffered in virtually every game he umpired and several complaints have been registered with President E. W. Dickerson of the Western league. His judgment was so bad that the game had been turned ino a farce before Kelly became "funny" and let one "get by."

ELKS IN FLAG CELEBRATION;

Military Caste by Presence of Soldiers.

Twenty-five hundred Americans rose to their feet Sunday evening at Hanscom park at the annual Elks Fag day celebration and deep-throatedly and fervently repeated after Robert Cowell the historic tribute of Daniel Webster, made in his famous Bunker Hill address: "Thank God, I I also am an American."

The audience rose as one man at the call of Mr. Cowell at the beginning of his patriotic address, one of the principal features of the program. For eight years the Benevolent and Frotective Order of Elks has observed Flag day as a token of the Americanism and loyalty of the or der. The celebration was made par of the ritual of every one of the 1,360 subordinate lodges in the country by order of Henry A. Melvin, past grand exalted ruler and associate justice of the supreme court of California.

Each year the ceremony of the birth of the flaf has gained in impressiveness. The audience Sunday was deeply moved by the impressive ritual, and after the retreat and the lowering of the flag stood with bowed heads while Charles R. Docherty, exalted ruler, pronounced the final benedic

Washington, June 16 .- The government's financial program for the next four months was disclosed today by Secretary McAdoo's announcement that in preparation for the fourth Liberty loan, to be floated probably in October, about \$6,000,000,000 certificates of indebtedness will be issued. Every national bank and trust company is asked to assist the government by subscribing 5 per cent of its gross resources, monthly. The certificates will bear 41/2 per cent interest like those preceding the third Liberty loan, and will have varying maturity periods, none exceeding four months.
