

KING FERDINAND LOSES CABINET; MINISTERS QUIT

Premier's Downfall Probably Due to His Failure in Secur- ing Satisfactory Peace Pact With Roumania.

Sofia, June 17.—Premier Radoslavoff has tendered the resignation of the cabinet and King Ferdinand has accepted it. The ministers were requested by the king to retain their portfolios until a new cabinet is formed.

The downfall of Premier Radoslavoff most probably is due to the feeling in Bulgaria that he did not make the most of his opportunity in the negotiations during which peace was forced on Roumania and Roumania compelled to give up the Dobruja. Many Bulgarians felt, it has been reported, that the Dobruja should have been ceded outright to Bulgaria. There also has been some dissatisfaction over whether the central powers would back up Bulgaria's territorial claims in Macedonia.

The coalition cabinet of Premier Radoslavoff, who is the liberal leader, came into office several years before the war and has been retained since with only a few minor changes.

SEWARD MEN COME IN FORCE TO VISIT DEN

Three hundred strong, the first delegation from Seward county to an Ak-Sar-Ben den show arrived in Omaha Monday evening at 6 o'clock. The delegation, attended by the reception committee, marched up Tenth street and thence up Farnam street to Fourteenth street, where they disbanded. They met down town later in the evening to board cars for the den.

At the den a special show and initiation was put on for the visitors. All of the regular features of the show and all of the extras were put on, from the opening song in "The Camp at Rum Bay" to the final burning of the city in "The Burning of Berlin." Gus Miller's circus provided an interlude.

The Seward delegation left Omaha at a late hour Monday night.

The Bee's Fund for Free Milk and Ice

These sweltering days make the fight for life and health a hard one for these little innocents.

The Bee, with the help of the charitable inclined, will carry on the work again this summer.

A large fund is not sought, nor are large individual contributions asked for. A limit of \$5 is placed on each contribution.

Every cent is used to supply milk and ice to needy families with small children, preference being given especially to those where there is sickness.

Not a penny is expended in administration of the fund.

The need is great. Send or bring your contribution to The Bee office. It will be acknowledged in this column.
