No Other Store Is So Thoroughly Equipped to Provide

MEN'S SUMMERY APPAREL

--And Never Was Our Value-Giving Leadership So Definitely Pronounced

The vast purchasing and distributing power of this establishment has brought our patrons untold benefits this season. With the present market conditions, shortages of high quality materials and high manufacturing costs, this masterful clothes service is splendidly demonstrating its true helpfulness to this community.

The Wondrous Values in Summer Suits Offered in Three Feature Groups at

Summer Trousers

—you may desire to patriotically "get through" the summer with a pair of Blue Serge or Flannel Trousers; here they are at \$3.00 to \$7.50. Striped white serges, plain white flannels, and serges, too; yes, and duck, crash and palm beach as well.

Another Great "Blue Beauty" Sale--Offering Values That Are Probably the Last of Their Line--\$18, \$20, \$25, \$30, \$35

The Suits involved represent almost the last of our holdings of Blue Serges, Blue Flannels and Blue Unfinished worsteds. The suits are just in from the shops. We're afraid that they are the last we shall be able to sell at anywhere near these prices. Even tremendous merchandising preparations such as ours must come to an end some time. We've been selling so many blue serges that our reserved yardage is nearly depleted. It's wise to act immediately.

Officers' Uniforms

Are moderately priced in our Military Clothes Shop. Wool, serge, khaki, gabardine and whipcord uniforms, overcoats, raincoats, shirts, puttees, insignia, etc.
