

Using Bee Want-Ads is a Dignified Strictly Private Way of Getting in Touch With a Larger Opportunity

WEEKLY COMMERCIAL GUIDE

A representative list of the best business houses in Omaha and Council Bluffs. When in need of any article refer to the list below. You can depend upon excellent service and values.

AUTOMOBILES DO YOU KNOW?

There were 1,000,000 new auto manufactured in 1917. The government says only 25,000 shall be made in 1918. That means more persons will buy used cars and all the more reason for the existence of a different kind of a used house.

DO YOU KNOW?

We have brought the selling of a used auto up to a legitimate, dependable standard. We give you the car you want, give you the lowest price in the west, quality considered. A different kind of a used care house is here, and we want the opportunity to prove this to you.

AUTOMOBILES THE STUNG BUYER

The stung buyer usually looks for the lot, garage, oak finish, houses in fine priced lots a car—and who hits on decoy advertisements, or those who go straying along the curb markets or the corner open advertisements with full confidence in their own smartness. Smartness avails nothing in the used car game—the other chap is always still smarter, else he couldn't make his sell.
