There Were No Damp Spirits on "Sobby" Fourth

WASNT it a queer Fourth of July? Hardly the splutter of a firecracker broke the stillness, and even the weather had a forlorn aspect, for it was a bit sobby, all day long, you must admit. However, the rain didn't dampen the spirits of the crowds at the clubs, for there were some lovely parties. The girls all looked so attractive, and, of course, the officers were stunning; they always are.

A guest or two has lifted our door knockers for a charming little lady from Chicago, Miss Marian Pierce, is visiting Miss Dorothy Weller for a week or ten days. Miss Weller asked a number of the young girls to her home Wednesday to meet her guest and have a cooling ice. Mr. and Mrs. Lee Huff gave a swimming party in Miss Pierce's honor on Thursday at Carter Lake, and in the evening the little party had dinner on the broad porch at the club overlooking the lake.

Another Chicago visitor is Miss Katherine Reems, who has been visiting Miss Louise Clark for several days. Miss Clarke whisked her away before we had time to see her, however, for they all motored over to Lake Okobojie on Wednesday.

Now that all the pretty brides have run away with their new officer husbands, leaving only a few crushed roses and bits of twisted chiffon to remind us of their pretty weddings, with pink taffeta bridesmaids and all, every one is just settling back into the regular business of living again. The long summer vacation seems to be a thing of the past, but we notice that numbers of our prominent people are motoring here and there for little week-end trips, hurrying back to take up their Red Cross duties on Monday morning.

Whisperings of coming weddings have been heard, and probably when the leaves don their scarlet and golden dresses in the fall, some charming weddings will take place. One lovely Dundee girl is wearing a handsome engagement ring, and we hear that "he" is a prominent Des Moines man. Another pretty little blonde whom you see every day at the wheel of her roadster tells us very frankly that she will announce her marriage very soon. Uncle Sam again figures in this romance, and the ringing of the wedding bells depends on war orders, for the bridegroom-to-be donned the khaki some time ago.

Rodgers-Davies Nuptials

Trinity Cathedral will be the scene of a rainbow wedding Wednesday evening when Miss Maud Elizabeth Davies, daughter of Mr. and Mrs. John Davies, will become the bride of Mr. Almond D. Rodgers.

The gowns of the four bridesmaids and maid of honor will be in the delicate rainbow tints and the same attractive color scheme will also be used in the decoration for the church.

This patriotic bride will have no wedding music that is not American in every way and as the opening chords of Sousa's wedding march sounds through the church, played by Mr. Ben Stanley, the first of the bridesmaids, Miss Effie Turner, will enter. Her gown will be of green georgette crepe with picture hat of the same shade.

Miss Alma Sorenson, another attendant, will wear orchid and lavender georgette with a large hat. Miss Maud Rodgers will be gowned in coral georgette crepe with a garden hat of white trimmed in the same rose shade, while Miss Alice Stone's gown will be of soft gray with hat to match. All these pretty girls will carry an armful of pink roses.

Miss Margaret Davies, sister of the bride, will be maid of honor, her gown of delicate pink georgette crepe shading into her shower bouquet of pink roses. Miss Mildred Kugel, as flower girl, will scatter rose leaves in the path of the bride, an attractive picture in her girlish frock of white net trimmed in blue.

The bride's gown will be of white georgette crepe, heavily embroidered in beads and draped with tulle, picture hat of pink and a lovely shower of bride's roses with tiny flags fluttering among their petals will form the bridal bouquet.

This artistic wedding will be a duplicate of the wedding of the bride's mother, the appointments being nearly the same. As is the custom in England the bride and bridegroom will kneel for the blessing and soft music will be played during the ceremony.

After an informal reception at the home of the bride's parents, the young couple will leave for a motor trip through Iowa and Minnesota, returning to take their home in Omaha.

stay for a time with the Penfelds. They motored on here from Omaha and will probably spend their summer in their machine.

Mr. and Mrs. D. C. Stapleton, formerly of Omaha, will leave Monday for Atlantic City to join the latter's brother and sister-in-law, Capt. and Mrs. Charles W. Hamilton, who have been with them here. Mr. Stapleton returned last week from his interesting trip to South America and Panama. They will return to Washington in the early fall to their home on Massachusetts avenue.

An interesting visitor here recently was Mrs. Irwin, wife of General Irwin, who was stationed in Omaha when he was "Col." Irwin. Mrs. Irwin has been visiting her son-in-law and daughter, Mr. and Mrs. Edward J. Walsh, in the pretty place they have here at 2172 Wyoming avenue. Mr. Walsh is a dollar-a-year man, like Mr. Stapleton. Mr. and Mrs. Walsh and Mrs. Irwin left today for Blue Ridge Summit, to spend the remainder of the summer. Mr. Walsh will make weekly trips there. Mrs. Gordon, wife of General Gordon, entertained at dinner Thursday evening in the Chevy Chase club in honor of Mrs. Irwin.

Mr. and Mrs. F. J. Walsh have returned to their home here after a visit of a fortnight with their son-in-law and daughter, Mr. and Mrs. H. Z. Green, in Omaha.

Country Club

Society flocked to the Country club after the celebrations for dinner and official society got back to the city to witness the great pageant in the evening. The Country clubs are getting to be the feature of summer life. A new one, and one of the most interesting, was opened this week at Cabin John's bridge. This is one of the most picturesque spots round about the city, but has been abandoned by society for many years, as before the excise law went into effect, a gay and noisy lot of people monopolized it, and since that time, no one has been able to maintain a dining room there for lack of patronage. The old hotel where, a quarter of a century ago broiled chicken breakfasts enticed congressmen and other officials and their families and their visitors, has been leased by the exclusive and famous "Club de Vingt" of New York and is opened as their summer club house. Tuesday evening was an auspicious opening and scores of the New York members who are here for the period of the war and some Washingtonians who have been taken in as members, made the famous old porches gay while they partook of one of the club's famous dinners, interspersed with dancing. They have brought over their New York chefs, servants and orchestra, and the place is ideal for the purpose.

Auto Picnic

An auto picnic to Bellevue, given by the Immanuel Baptist choir, under the leadership of Miss Johannah Anderson, was an event of Friday. The evening was featured by a campus basket dinner and a patriotic toast given by Mrs. Wilbur Jones.

- Those present were: Mesdames— C. E. Tipton, R. A. Salender, J. C. Morris, R. G. Kratz, C. G. Lind, Misses— Thelma Johnson, Irene Hyman, Sibyl Morris, Dorothy McAllister, Johannah Anderson, Vera Keaton, Gertrude Rodman, Charlotte Miller, Messrs.— E. Tipton, R. A. Salender, Wilbur Jones, Ernest Morris, Rev. J. F. Forsander, C. E. From, C. C. Charles, C. G. Lind, Dr. L. E. Myers.

For Miss Pierce

Mrs. E. V. Lewis will entertain informally at luncheon at the Blackstone Monday for Miss Marian Pierce of Chicago, who is the guest of Miss Marian Weller. Her guests besides Miss Pierce will be Mrs. W. H. Rhodes, Mrs. Harry Weller, Miss Mildred Rhodes and Miss Dorothy and Miss Marian Weller.

Thursday Mrs. Lee Huff gave a swimming party, followed by luncheon at the Carter Lake club, and later the party motored to Millard for dinner that evening.

ENGAGED

Harriet Parmelee

Mr. Edward A. Parmelee announces the engagement of his daughter, Harriet Meredith, to Mr. John H. Winchell, jr. The wedding will take place August 3, at the home of Miss Parmelee's sister, Mrs. Robert T. Hill at Mount Vernon, New York. After spending a few days in New York the young couple will make their home in Washington, D. C.

Miss Parmelee is well known in Omaha, having spent her school days here as she is a graduate of the Omaha High school, later attending the university at Lincoln, where she was a member of the Kappa Alpha Theta sorority. For the past year this attractive girl has been secretary to the president of the Colorado Agricultural college. Miss Parmelee will spend a few days in Omaha during the latter part of the month visiting her father, Mr. Edward A. Parmelee.

Mr. Winchell is a graduate of the Colorado School of Mines and is a member of the Sigma Nu and Theta Tau fraternities. Mr. Winchell is in the service of the United States geological survey at Washington.

Mabel Hellman of this city and Rabbi Rosenau occupied the pulpit at the Temple Israel until he was called to Baltimore 25 years ago, where he is pastor of one of the largest congregations in the city.

This Makes the Curl Stay in Your Hair

The silmerne method of curling the hair is unusually popular just now, according to the druggists. This is largely due to the warm weather and because women are now spending so much of their time out of doors. Liquid silmerne not only produces the loveliest, natural looking curls and waves, but it keeps the hair in curl no matter how hot or how moist the day, or how hard the wind blows. It is simply wonderful how this harmless liquid converts the straightest, flattest hair into such pretty curly locks in a single night. All one need do is to wet a clean tooth brush with liquid silmerne at bedtime, draw the hair in curl no matter how hot or how moist the day, or how hard the wind blows. Miss Dorothy Ringwalt and Miss Frances Nieman were guests of honor at a meeting of the Dundee Women's Patriotic League Monday after-

HOW TO PREVENT APPENDICITIS

Appendicitis is primarily due to the poison formed by decaying food in the bowels. It is a disease caused by improper and insufficient bowel elimination. Many people have only a small passage in the center of the bowels while the sides are clogged with old, staled, fermenting matter. They may have a bowel movement every day, but it is not a complete movement and the old, staled matter stays in the system to ferment and cause trouble. Besides appendicitis, such unclean bowels cause headaches, stomach troubles and 90 per cent of all other sicknesses. The old, foul matter sticking to the sides of the bowels often stays in for months, poisoning the body and causing that listless, tired feeling known as "auto intoxication." HOW TO AVOID TROUBLE The way to avoid sickness and to keep feeling full of ambition is to watch your bowels. Just as you keep the outside of your body clean, you should also KEEP THE INSIDE CLEAN. It is even more important to keep the bowels clean than it is to keep your body washed, because the millions of germs in the thirty feet of bowels quickly absorb poisons generated by decaying food left carelessly in the bowels. Don't allow the old, fermenting, filthy stuff to stay in your bowels for weeks, but GET IT OUT and keep it out. Remember, filthy bowels are the cause of most sickness—no stomach, liver or any other organ can do its work with a foul cesspool sending out gases and poisons. Even if your bowels move slightly each day, that is not enough. There must be an occasional THOROUGH, complete cleansing to rid your system of all accumulated, decaying matter. HOW TO CLEAN BOWELS QUICK THE MOST COMPLETE bowel cleanser known is a mixture of buckthorn bark, glycerine and ten other ingredients, put up in ready prepared form under the trade name of Adler-ka. This mixture is a powerful bowel cleanser that ALWAYS does its work properly and thoroughly. It removes foul and poisonous matter which other cathartics or laxative mixtures are unable to dislodge. It does a COMPLETE job and it works QUICKLY and without the least discomfort or trouble. It is so gentle that one forgets he has taken it until the THOROUGH evacuation starts. It is astonishing the great amount of foul, poisonous matter a SINGLE SPOONFUL of Adler-ka draws from the alimentary canal—matter you would never have thought was in your system. Try it right after a natural bowel movement and notice how much MORE foul matter will be brought out which was poisoning your system. In slight disorders, such as occasional constipation, sour stomach, "gas on the stomach" or sick headaches, one spoonful brings relief almost INSTANTLY. Adler-ka is the MOST THOROUGH bowel cleanser and antiseptic ever offered in ready prepared form. It is a constant and powerful stomachic which has used only ordinary bowel and stomach medicines and the various oils and waters.
