

SOUTH SIDE BOYS BATTLE, ONE BEING SHOT WITH AIRGUN IN HEAD

**Leo Dunn, 6 Years Old, is
Injured When Shot Is
Imbedded in Skull
Tissues.**

Three small boys, all sons of widows, became embroiled in an argument Saturday afternoon that culminated in Leo Dunn, 6, son of Mrs. B. T. Dunn, 5232 South Twenty-second street, being shot in the head with a hard shooting air rifle in the hands of Chester Waterman, 6, son of Mrs. Mary Waterman, 5405 South Twenty-second street.

The shot struck Leo in the right temple and imbedded itself in the skull tissues, causing a painful, though not serious, wound. The two lads, together with Harry Benda, 13, son of Mrs. Marie Benda, 2215 S street, who, Chester said, had encouraged him to shoot Leo, were brought to the police station to be questioned.

"Yes, I told him to shoot Leo," Henry told Police Captain Madsen. "Some of the bigger boys have been picking on Chester, so when Leo wanted to fight I gave him my gun to protect himself."

Leo was taken to Dr. Schindel's office for treatment, after which he and the Waterman lad were allowed to go home. Henry was held at the police station pending the arrival of the juvenile officers.

Only English Language Permitted in Stock Yards

"No language but the English shall be used in all business transactions in these yards," is a rule adopted at a meeting in Exchange hall Friday to apply to all business transactions at the South Side market.

As far as commission men, regular buyers and local traders are concerned, the rule is not necessary, as business transactions have always been carried on in English, but it is intended to hit outsiders who visit the market for one reason or another.

"We are going to make the Omaha live stock market 100 per cent loyal if it is possible to do so," said an Exchange official.

Democratic County Central Committee to Meet Next Saturday

Chairman Dahlman of the democratic county central committee has called a meeting for next Saturday at 2 p. m. in parlor B of the Paxton hotel.

The principal business before the committee will be to consider the selection of 165 delegates to represent this county at the state convention to be held at Hastings on July 30.

It is probable that a call will be issued for a county convention to name the delegation.

Arthur Mullen, democratic national committeeman for Nebraska, stated yesterday he had received word that Speaker Champ Clark will attend the Hastings convention and will make an address, unless something unexpected should intervene. He wrote that he expects to have Mr. Clark accompany him on the trip.

No further information has been received on the subject of John Sharp Williams appearing on the same platform with Speaker Clark.

Former Omaha Sheep Buyer Dons Khaki at Camp Lewis

An account in the Salt Lake Tribune of the farewell to J. M. Sullivan on his departure for Camp Lewis, Washington, will be of interest to his Omaha friends. His mother's home is at 1306 South Twenty-ninth street. His brothers, J. A. and M. E. Sullivan are connected with the live stock business in South Omaha. Dr. H. T. Sullivan, Creighton, 1918, is on the army medical reserve list.

J. M. Sullivan

The Salt Lake Tribune says: "A complimentary dinner was given to John M. Sullivan at the Newhouse hotel by about 20 friends from the Cudahy plant and stockyards at North Salt Lake last night just prior to his departure for Camp Lewis."

Mr. Sullivan came to Salt Lake from Omaha about a year ago as sheep buyer for the packing plant and has endeared himself by his integrity and square dealing to all. F. S. Hatch, manager of the Cudahy plant, acted as toastmaster and during the evening Mr. Sullivan was presented with a handsome wrist watch by E. C. Parsons on behalf of his stock yard friends, and by Salesmanager Kramer with a handsome ring from his associates at the plant. Toasts were responded to by guests from Denver as well as others from the yards and plant.

"BREEZY KNOLL" IS OPEN FOR SUMMER

**Group of Cottages Maintained
for Girls of Burgess-
Nash Department
Store.**

Breezy Knoll, the summer club for the girls of the Burgess-Nash company organization, had its formal opening Saturday when the first group of young maidens bubbling over with youth and happiness went out for the week-end.

"Breezy Knoll," which consists of a group of cottages including a dormitory, mess hall and kitchen, is the culmination of a happy thought by L. C. Nash when he conceived the idea of providing a place of this sort for the girls of his big happy store family at his country home.

The dormitory includes a large living room, fitted with wicker furniture, piano, victrola, books, etc. A sleeping room that will accommodate 12 girls at one time and a large porch.

The dining hall and kitchen are well equipped with the necessities for preparing and dispensing bounteous repasts.

The entire group of cottages including porch of the dormitory, as well as the passage ways between the dormitory, dining hall and kitchen, are completely screened.

The plan is that the club shall be as much a place of recreation as well as for week-ends and vacations—a place where the girls of Burgess-Nash organization can spend their evenings during the summer months.

They will go out to "Breezy Knoll" in groups of 12 for a period of three evenings at a time. Leaving the store each evening at 5 o'clock, arriving at "Breezy Knoll" at six, and returning to the store each morning at 10 o'clock.

Automobiles will be furnished by the Burgess-Nash company to provide a means of transportation to and from "Breezy Knoll" and females will be furnished for the girls while at the cottages.

The committee in charge of "Breezy Knoll" are Miss Butler and Miss Schmidt, commissary; Miss Halvick and Miss Shumate, furnishings and decorations; Miss Long and Miss Collins, registrars.

A string of fine horses belonging to George Brandeis, 300 soldiers from Fort Omaha and the first delegation from Hamburg, Ia., in the history of Ak-Sar-Ben, will be the attractions for which Omaha members of Ak-Sar-Ben will turn out at the Den in large numbers Monday evening.

The Brandeis horses will be billed as part of the circus which regularly is presented after the close of the first part of the show. "Dad" Weaver and Gus Renze are making preparations for handling a large crowd in view of the extra attractions, and refreshments in abundance have been provided.

The soldiers from Fort Omaha are part of the regular detachment which will visit the Den on Monday nights from now on. Colonel Hersey has arranged to have Ak-Sar-Ben furloughs granted to 300 men each week, so that all will get a chance to see the show. Auto trucks will haul the detachments.

THE POOR RICH MAN

Hard Work is the Best Cure for Hard Luck.

Drown your troubles in perspiration—not in drink. Aching muscles act as counter irritants to aching hearts. If war times affect your business, let it affect your ambition, too—meet unusual conditions with unusual effort—there's still a profit in business, but you must EARN IT NOW.

If you are short of help, take off your coat and go to work—not only with your hands, but also with your head.

Of course it's an outrage to ask YOU to work, and it's hard luck to have YOUR profits dwindle—but how about the boys "over there" who sacrificed home, loved ones, business, pleasures, even life itself, in order that the rest of us might enjoy the privileges you do not appreciate?

Although several of my valued operators and laboratory experts have already joined the colors, and more are ready to go; although dental materials cost much more than ever before, and general expense of conducting a large dental office continually increases—I have no word of complaint—I have not raised my prices a penny—I still guarantee that only solid gold is used here in crown and bridge work, and that only high-class, experienced dentists are permitted to operate in my office.

The promise which I made years ago of "better dentistry for less money" is being kept, regardless of the war and the fact that the other dentists are charging double my prices for work no better and often inferior.
