

FARMER IS SHOT AS FEDERAL AGENT HUNTS SLACKER

J. R. Kamm Gets Bullet in Lung as Result of Quarrel Between Sister of Suspect and Officer.

Superior, Neb., July 8.—(Special Telegram.)—J. R. Kamm, well known farmer living five miles southwest of this city, was shot and dangerously wounded Saturday evening by Mrs. Orville Mellott, in a quarrel resulting from failure of her brother, Roy Barry, to register for the draft a year ago last June.

It had been suspected that Barry was under 31. School records show that he is, but his mother says he is over 31. Last week a federal officer was investigating the case, and Saturday afternoon, in company with Merle Doughett and Jesse Lyne, two neighbors, went to the Barry home to get further information.

Mr. Kamm happened to drive by the place when the party arrived. The result was the shooting of Kamm. Merle Doughett was struck over the head with a club, which made a big gash in his head.

Mr. Kamm was immediately brought to the Superior hospital. The bullet was found lodged in his lung. It is thought he will recover.

Must Improve Highway Through State or Lose It

Fremont, Neb., July 8.—(Special Telegram.)—George F. Wolz, state consul of the Lincoln Highway, returning from a trip to Schuyler and Columbus with H. C. Osterman of Detroit, secretary of the association, made the statement that counties of eastern Nebraska through which the Lincoln Highway now passes, will lose the roadway if permanent improvement of the road is not done.

Mr. Wolz met Mr. Osterman at Omaha, where a meeting of good roads enthusiasts was held. The Omaha Chamber of Commerce and the Rotary club promised to get behind a movement for an improved highway in Douglas county.

Avoca News Notes.

Avoca, Neb., July 8.—(Special.)—Miss Elsie Opp, daughter of Mr. and Mrs. Jacob Opp of Avoca, and August Butz, well known Talmage young man, were married at Nebraska City last week.

John H. Kunz, son of John Kunz, living southeast of Avoca, was arrested Friday by Sheriff Fisher of Otoe county and taken to Fort Crook, where he was turned over to the military officers. Kunz was sent to Camp Funston last fall in the draft and later was transferred to Camp Cody, Deming, N. M. Later he became ill and got a furlough and returned home, where he was operated on for appendicitis. After recovering from the operation he remained at the home of his parents. It is stated that his father received a message from the military authorities, to have his son report by June 27, but the father refused to have his son report.

Calude Fahnestock, vice president of the Bank of Avoca, was married a few days ago to Miss Frances Gearhart of Ottumwa, Ia.

Mr. and Mrs. Henry Schacht, well known Otoe county residents, celebrated their golden wedding anniversary last week.

Beatrice News Notes.

Beatrice, Neb., July 8.—(Special.)—Charles Jackson, a taxi driver, was arrested yesterday at Wymore, when he called to get a suitcase containing six quarts of whisky at the Burlington station.

W. W. Duncan yesterday received a letter from his son, Harold, who is a member of Company E, 35th infantry, U. S. A., which was written on board a transport which was just entering the war zone. He stated that all of the Beatrice boys on the ship were well and enjoying the trip.

Harry Thomas, a grain man of this city, returned last evening from a drive of 150 miles in his car in this section of the state, and reports that some of the late corn has begun to fire as a result of the prolonged dry spell. He says the early corn never looked better and, with plenty of moisture, a bumper crop is assured.

The service flag of St. Joseph's Catholic church, having 53 stars, was dedicated Sunday evening on the campus near the church, with music by the Beatrice municipal band and Lenhart's orchestra, and addresses by Father Cronin of Wymore and Father Bickert of Beatrice.

Bank Proves Loyalty.

Ord, Neb., July 8.—(Special.)—The First National bank of Ord has donated \$1,000 to the Red Cross, of which \$500 goes to the local chapter and \$500 to the national organization. This was done by a vote of the directors at the suggestion of Lt. C. J. Mortensen, son of the late Peter Mortensen, former state treasurer. Lieutenant Mortensen was home on a short visit leave from Camp Dodge at the time. This is said to be the largest amount given by any one bank in the state in proportion to its capital stock.

To Go to Pittsburgh for Vacation in His Auto

Rev. Titus Lowe, with his wife and two daughters, left Monday for an automobile trip to Pittsburgh. They expect to be away about five weeks, stopping en route at several different points to visit.

During Dr. Lowe's absence the pulpit at the First Methodist church will be filled by men of national reputation. F. D. Wead, chairman of the pulpit committee, has not yet made definite arrangements for next Sunday, but says he can promise that the sermon will be delivered by a man well worth hearing.

STATE LOSES SUIT FILED AGAINST URE

Action Brought to Have Former Douglas Treasurer Pay Interest on State Funds Fails.

From a Staff Correspondent.
Lincoln, July 8.—(Special Telegram.)—The state of Nebraska has lost its suit against former County Treasurer William Ure of Douglas county to compel the latter to pay to the state interest on funds held back by Ure after State Treasurer George Hall had ordered him to pay over the funds. The state supreme court this afternoon handed down its opinion adversely to the state.

The high court holds that Ure is not compelled to pay over the interest because the state auditor had not provided the county treasurer with blanks to be used in making remittances and also did not comply with Ure's demand to countersign receipts issued by the state treasurer.

The court holds, however, that county treasurers must remit at the times regularly required of them by the state treasurer and are chargeable with interest of state funds when they fail to do so, but the reasons stated the Douglas county treasurer is not liable for the interest.

Suffragists Go Into Court.

On application of the attorneys for the suffrage workers seeking to have the referendum petition on women suffrage kept off the ballot in the next election, District Judge Flansburg of Lancaster county has issued an order for the anti-suffrage workers who circulated the petitions to show cause Saturday, July 13, at 9 o'clock a. m. why a temporary restraining order should not be issued.

NINE BOYS MAKE GETAWAY FROM REFORM SCHOOL

Trusty Aids Incurrigibles to Escape From Kearney Institution; Two Captured in West Part State

Kearney, Neb., July 8.—(Special Telegram.)—Nine boys made a spectacular escape from the State Industrial school last night, among them four juvenile auto thieves sentenced to the institution from Omaha, and considered among the worst specimens housed there.

Those who made their getaway are: Lester Moore, John Evans, Donald Comstock, Elmer Smith, Robert Brown (colored), Albin Buskus, all of Omaha; Bert Moore of Lincoln, John Hull of Casper, Wyo., and John Mackie of Lead, S. D.

This is the greatest delivery of prisoners from the school which has taken place since R. V. Clark acted in capacity of superintendent there.

Cuts Window Gratings.

Lester Moore, trusty, acted as night guard of the dormitory in the absence of a guard, none being now so employed by the state.

He cut the gratings over one of the windows with some steel nippers and escaped with the eight boys so released. Four of these stole an automobile near this city and proceeded westward.

At Elm Creek they abandoned the machine and stole the George Knobel car and proceeded on their journey. They were seen there and several shots fired at them. At Lexington a posse had gathered, but the boys stormed

through amid rifle and shotgun bullets. But near Darr their machine broke down and they took flight in the underbrush along the river, where, according to word received by Superintendent Clark, the quartet was surrounded. Two were captured and two escaped. No trace had been found of the other five boys up to a late hour today.

"It's buy 'white bread' clothing now or 'war bread' clothing at a greater cost later."
Clothing will keep on growing dearer as the drain upon the woolen supply grows greater. There's no hope in sight that prices will come down.
