SOCIETY IS DYING A HARD DEATH—ONLY FEW BREATHS LEFT

By MELLIFICIA

Comings and goings—aren't they bewildering? The increase in railroad rates does not seem to bother Omaha folk, for they are traveling hither and yon in search of cool breezes and freedom from dull care. The lakes of Minnesota seem to be the Mecca for the summer traveler and you will find colonies of Omahans at every resort. Those who have found it necessary to desert the sandy beaches to return to pressing duties at home tell us that Minnetonka was never so attractive as it is this year.

Even though the summer lassitude has fallen on the most of us, Dan Cupid carries not and plans for mid-summer and fall weddings are well under way. Miss Isabel Milroy will be an August bride, for she has chosen the last of the summer months for her nuptials. Her engagement to Mr. Leroy Dunn is one of great interest, for the friends of the young couple have predicted the announcement for some time. Other bulletins from the headquarters of the god of love are on the way, we assure you, for rumors and more rumors are coming to our ears.

The golf tournament this week was a great success, everyone was there in their smartest sport togs. Of course, the stars were fascinating and the fabulous sums our prominent citizens poured into the coffers of the Red Cross just to caddy for the professionals quite took your breath away.

The clubs have certainly come into their own again. They were a bit dull for several seasons, but this summer everyone goes. The dinner-dance nights are really lovely, for the officers come, and who doesn't love a uniform? Sunday evening suppers are well attended too, for its so nice to

Y. W. C. A. Will Take Active Part In War Work With P. L. Club

The Young Women's Christian association of Omaha is organizing to take a very active part in war work. It has appointed Miss Ethel Niermeyer as special war worker, in charge of the Patriotic league work which the Young Women's Christian association will carry on in co-operation with the war camp community service. She will have as her assistant in this work Miss Elizabeth Larson and Miss Dorothy Gray. Already work has been commenced on the redecoration of a room to be used for Patriotic league club work. Another room will be turned over to the Patriotic league clubs for a Red Cross work room, and still another to be used as a play room. These rooms will make possible a great development of the Patriotic league work and the organization of a great number of these clubs. It is a part of the plan of the war camp community service, under the leadership of Miss Range, to enroll 5,000 to 10,000 girls in the Patriotic league through a big drive which is in process of organization, and this action of the Young Women's Christian association will provide a rallying point for activities of this character.

One of the developments of the Patriotic league work is to be the opening of the Young Women's Christian association to the soldiers each Wednesday evening, the girls of the Daughters of the American Revolution club to act as hostesses, with the assistance of other clubs from time to time. There will be entertainments of various kinds on these open house evenings, including singing, games and a lively time generally, with the idea of making it the most popular place in the city for the soldiers to spend their Wednesday evenings. The first of these soldier hospitality nights will occur August 7.

Sunday afternoons and evenings will also be devoted to the work of the Young Women's Christian association, which will be started as soon as the remodeling is completed.

Miss Frances Range Organize P. L. Club In Plattsmouth to

Miss Frances Range of the war camp community service went to Plattsmouth Friday evening to further assist in the organization of Patriotic League clubs. This meeting was the result of preliminary steps taken in behalf of such an organization by the war camp community office in this city some time ago. The meeting Friday evening was a mass meeting of all interested, and Miss Range was asked to go to Plattsmouth and outline a general plan of organization.

The meeting was presided over by Mrs. E. H. Westcott, vice chairman of the community committee in Plattsmouth. After the address of Miss Range, the girls divided up into groups for the formation of clubs, selected their club leaders, discussed the feasibility of keeping the community house for a center of activity for the girls of the town, enjoyed a big sing, and started on their way to career of usefulness to the community and country and the achievement of higher ideals for each individual, which is the pledge of all Patriotic League girls.

There are now 586 chapters in the division distributed as follows: Illinois, 135; Michigan, 84; Wisconsin, 73; Iowa, 167; Nebraska, 127.

How is this for a patriotic song to be sung to the air of "Keep the Home Fires Burning?"

The little girls who are members of the Bemis park Red Cross auxiliary composed the words between the making of cotton pads.

We the Red Cross juniors Fill our quota sooner That the boys may live and fight With all their might They will get the kaiser Ere he's any wiser If we work and never shirk Then the war will win.

The little patriots have finished their quota and are now spending their time ripping the army shirts which the grownup Red Cross workers are remodeling for the government. This is the record of the Bemis park juniors since their organization: 200 8x4 wipes, 450 2x2 and 250 8x15 cotton pads.

Since the "Little Daughters of Uncle Sam Red Cross auxiliary" have completed their quota and will disband until September, a picnic supper will be given for them on the lawn of home of the chairman, Mrs. C. A. McKenzie. After the picnic sup-

per the 16 small members will attend the photoplay at the Rialto.

Mrs. Henry Albrecht, secretary of the Deshler branch, A. R. C., Deshler, Neb., has sent the state office \$1,000 additional contribution to the Red Cross for general use.

This amount is over and above their contribution to the war fund and other activities.

TODAY'S AID TO BEAUTY

Hair is by far the most conspicuous thing about us and is probably the most easily damaged by bad or careless treatment. If we are very careful in hair washing, we will have virtually no hair troubles. An especially fine shampoo for this weather, one that brings out all the natural beauty of the hair; that dissolves and entirely removes all dandruff, excess oil and dirt; can easily be used at trifling expense by simply dissolving a teaspoonful of Canthrox (which you can get at any drug store) in a cup of hot water. This makes a full cup of shampoo liquid—enough so it is easy to apply it to all the hair instead of just the top of the head. This chemically dissolves all impurities and creates a soothing, cooling lather. Rinsing leaves the scalp spotlessly clean, soft and pliant, while the hair takes on the glossy richness of natural color, also a fluffiness which makes it seem much heavier than it is. After Canthrox shampoo, arranging the hair is a pleasure.—Adv.

"La Creole" Hair Dressing positively eradicates dandruff, keeps the scalp in a healthy condition and promotes the growth of new hair; brings back a natural, soft, even, dark shade to gray or faded hair, and makes it lustrous, full of life and beautiful.
