## REPUBLICANS OF SAUNDERS MEET

**Name Twenty Delegates to the State Convention; Endorse Congressman Sloan; Score Hesitant Patriots.**

The Saunders county republican convention was held at Wahoo Friday and 20 delegates to the state convention were selected.

A motion was passed endorsing the attitude of the republican candidates in condemning the Nonpartisan league. Adam McMullen of Wymore, candidate for congress in the Fourth district, addressed the convention.

Resolutions were adopted declaring the convention's "loyalty to the flag of liberty and freedom, the red, white and blue, and insisting upon a continuation of the war until Prussianism and Hunism shall be stamped from the earth and until all nations however small shall be safe in the enjoyment of the rights and privileges of a free, liberty-loving people"

**Commend Sloan.**  
 Another resolution commended the republican congressmen from Nebraska for their support of all measures in congress for the prosecution of the war. Special commendation and endorsement of Congressman Sloan were voiced in these words:

"We take pride in the republican leadership attained by Congressman Charles H. Sloan during his eight years of service. We appreciate the interest he has shown in all agricultural legislation and the results that he has accomplished along these

lines which are beneficial to Nebraska's leading industry. We commend him for his adherence to republican issues and principles and for his support in congress of all measures to make the war prosecution effective and successful."

Special commendation was made, by resolution, of the people of the county "for their generous contributions to every branch of our war activities, enabling Saunders county to have the proud distinction of being the banner county in this class of work, not only in Nebraska, but in the entire United States, having contributed for Red Cross purposes more than \$225,000."

The resolutions also condemned all persons halting or hesitating in patriotism.
