GRAIN AND PRODUCE NEW YORK

Grain Arrivals Moderate; Prices Harden After Period of White and Mixed Corn Off: Irregularity and Hesitation; U. S. Steel Continues Leader.

Omaha, July 26, 1918.

Receipts of grain today cover 104 cars of wheat, 76 cars of corn, 24 cars of oats 1 car of rye and 1 car of barley.

New York July 26.—The stock market was heaitant and irregular in the first half of today's session, presumably on the failure of sensational war rumors current.

Bethlehem, Crucible and Lackawanna Steels Republic Iron and Colorado Fuel gained I to 2 points, Utah Copper and oils 1 to 14 and General Cigars was prominent for its sudden rise of 4 points.

Rails were extremely listless, Union Pacific as an instance, remaining altogether unquoted until at the end, while Reading slowly regained its 1 point reversal. Other backward issues included General Motors, Sumatra Tobacco, Industrial Alcohol and

Cuba Cane Sugar. Internationals fared better than domes-tic issues in the irregular bond market, Paris 6s gaining 5s and Angio-French 6s a small fraction. Total saies, par value, aggregated \$4,935 000. Old United States bonds were unchanged on call.

New York, July 26 .- Dun's tomorrow will varied as their adjustments already have been, the extension of federal domination of trade and industry has continued without interruption and steadily becomes more far-reaching in its influence. Not only are the wants of the government greatly exceeding earlier expectations and monopolizing a constantly increasing proportion of the nation's producing capacity, but ne precise calculation can be made as to the supplies that will be available for ordinary uses, and civilian contracts are promptly uses, and civilian contracts are promptly set aside whenever they interfere with work of a special character.
