Cannot Dodge Draft.

Chicago, July 26.—President Comis-key, owner of the White Sox, world's champions, today received a letter from the national commission which gave a jolt to base ball players who seek employment in the shipyards and other concerns in order to play base ball and avoid being placed in Class 1 by their draft boards.

The commission which met in Washington said in its letter to the White Sox owner, that the govern-ment would not permit ball players nitions plants and the like in order that they might play base ball for these concerns.

The players on the local club were given this information by Manager front of the big plant.
Rowland, and they told him they Charles M. Schwab, in welcoming were all going to remain with the club until the season ends.

Plan World Series.

New York, July 26 .- The general view of club owners here was that ment is interested solely in the the National and American leagues should immediately hold a joint meeting to decide whether a world's series should be played. They opposed any suggestion that the series be abandoned, saying that such action woud bring keen disappointment to civilians and fighting men alike.

While there was some talk among officials of the National league that some double headers should be introduced, in order to shorten the regular season, both President Hempstead of the New York club, and John Heydler, secretary of the league, de-clared that care should be taken so of the race.'

Boston, July 26 .- There will be lit- erty loan. tle demand for a world's series this ercise. I never fear ills and haven't throughout the country, while in most year, in the opinion of John K. Tener, president of the National league, in commenting tonight on the effect of cor less personal effects.
