

# There Are Lots of Ways to Enjoy Oneself in Omaha

## NEGROES CALLED IN DRAFT QUOTA BY DISTRICT 2

Sixty Called to Fill Quota of 34 Ordered to Camp Funston During First Weeks of August.

About 60 negro selective service men will be inducted into service and ordered to report at the South Side exemption board No. 2 at 9 o'clock Thursday morning, August 1. A large number of these will act as alternates. About 34 men will be sent to Camp Funston some time during the first two weeks of the month.

Three men left Saturday in answer to special calls. Frank Kissell, Hittinger, N. D., was sent to Camp Custer, Battle Creek, Mich. Clarence E. Collins, 1518 Y street, has been ordered to report to Camp Meigs, Washington, D. C. Charles Danek, 4609 South Twenty-fourth street, is trained for Camp Lewis, Washington state.

## Free Acts and Many Outings at New Krug Park for This Week

Shenodi Bros., Japanese contortionists and jugglers, head the bill of free attractions at New Krug park this week, though none the less important and thrilling is the novelty skating act of Collier and DeWade. These free acts are proving very popular with the thousands who are to be seen at the park each evening and will be given during the remainder of the season.

Last week was a very busy one for the management and this week several large outings and picnics have been booked.

Tuesday evening the Paxton & Gallagher company entertain their employees at the park, while on Wednesday night a crowd of many thousands is expected, the occasion being to raise money for the soldiers' and sailors' war relief fund, and is given under the auspices of the manufacturers and wholesalers of the city in conjunction with the Chamber of Commerce. A large sum of money is expected to be raised.

Friday night the employees of McCord-Brady will gather at the park as guests of the house, and a big time is expected by every one.

## Girl Rider is Greatest of All Equestriennes

MAY WIRTH TO BE SEEN HERE WITH RINGLING CIRCUS

Less than 20 years of age yet the greatest of all the equestrian stars in Spangleland. That is the way "Who's who" in the realm of the "white tops" characterizes May Wirth, the dainty Australian girl whose breath-taking accomplishments on the back of a galloping horse eclipse all riding achievements in the circus world.

The list of Miss Wirth's accomplishments is a long one, but there are two things in which she excels. She is the only rider among either women or men who can do a "forward somersault" on a running steed, and she wears a smile that "won't come off." It has been said of her that though she "comes off her horse" her smile never "comes off her."

May Wirth is of a family of famous riders who compose what is known in the cities of the British isles as the "royal riders of the ring." This family includes May Wirth, Mrs. Martin Wirth, Stella Wirth and Frank

Wirth. All have been inducted to appear in this country with the Ringling Brothers' circus and will be seen here when the big show visits this city Wednesday, August 7, Twentieth and Lake streets. May Wirth will be seen in solo riding numbers in which she will perform her most difficult feats. The entire Wirth family will appear at another time on the program with Ian MacPherson's clan of Highland horsemen, recently brought to America from Scotland, and other daring troupes of equestrians. Miss Wirth will appear early in the program. First will come the tremendous spectacle of romance and chivalry, "In Days of Old," with a cast of more than 1,200 characters. It is the biggest spectacle ever produced in America.

## Empress Has Another High Class Vaudeville Bill for the Week

In keeping with the standard of the shows presented at the Empress these last few weeks the bill of vaudeville opening in this house today should leave the patrons of this theater wonder how such an array of big-time acts can be presented anywhere at popular prices. "Roguish Rosetta," the biggest little star in vaudeville, and three others, comprise a company

Vincent and Raymond at the Empress.

of vocalists and instrumentalists who come direct from a successful western tour. They bill themselves as "Rutan's Song Birds" and promise some real entertainment to music lovers. The Ruth Howell trio, two men and a woman, have a thrilling gymnastic offering, consisting of combination aerialism and acrobatics, featuring Ruth Howell, the only lady doing the somersault toe-to-toe catch, one of the most daring feats ever attempted in acrobatics. Ferdinand, the mimic and whistler, introduces a novelty in vaudeville.

"A Night in Venice" is the headliner for the last half of the week, in which the Bernevi Brothers feature. They are musicians who present a mixture of high class and popular selections, both vocal and instrumental. Vincent and Raymond come with sparkling dialogue and sing some clever original songs. Tumbling stunts of the sensational kind that keep an audience in edge are performed by the Petit Troupe, a quartet of male acrobats. Hazel Leona, a singing comedienne, completes the vaudeville program.

## Manawa Offers Much to Lure Town Dweller to Open

Information from railroads and other available sources shows fewer Omahans than usual are taking out-of-town vacations this summer. At the same time constantly growing crowds of people, seeking cool outdoor pleasure, are found at Lake Manawa, showing Manager Carl I. Palm believes that more are enjoying the outing facilities at home this season.

Half a dozen parties of Omaha people are camping under the high cottonwoods on the southern shore of Manawa, where a long sandy beach offers as good swimming as can be found within 200 miles of the city. The campers say fishing is good. Boy Scout troops from a number of towns near Council Bluffs and Omaha have camped at the lake this summer, along with smaller parties.

Every evening during the last week saw thousands at Manawa, picnicing, going to the beach, bath-

## Lakeview Offers Much to Stay-at-Home Vacationists

The outdoor amusement parks have prospered by Uncle Sam's advice to spend one's vacation at home and Lakeview park is no exception. The attendance has jumped up 10 fold the past week. It is estimated that 50,000 passed through the gates. The special events planned for the stay-at-home vacationist proved Lakeview to be one of the popular spots of the week.

For the coming week on Tuesday, July 30, a keepee dance will be staged at which a number of swell dressed

keepies will be given to those who happen on the floor at the time. Wednesday, July 31, the Union Outfitting company will hold its annual picnic for which it has issued 15,000 invitation to its friends and customers. The inquiries for tickets have assumed such serious proportions that no doubt it will cause those in charge to have at least the same amount of tickets printed for further distribution. The affair is an annual event and is one that is looked forward to by the many friends of the firm. It is the intention of the committee in charge to give away one or more pieces of furniture to some lucky person on the day of the outing.

**Use Sand Boxes for Slates.**  
The school children of Korea make use of shallow boxes of sand instead of slates. They draw the characters with a sharp stick and when the box is shuttled it is ready for another character.
