Dear Miss Fairfax. Omaha Bee: We are two girls of 17 and 18, who are visiting our sister, who lives on a farm, and have be-come acquainted with two young men who live near by. One of the young men owns a roadster, and we should like to know if it is proper for the four of us to go riding in this one-seated car, since one of us is forced to sit on a boy's lap. We should also like to know if it is all right for us to sit in the car and chat after reaching home at night.

Since we are strangers, we do not like to be too strict for fear of becoming unpopu-lar and we wish to enjoy our summer; neither do we wish to mislead the boys. TWO RAMBLERS.

so much as to see a girl sitting on a boy's lap, but, on the other hand, I appreciate the good times you four young people can have this summer. Is there no other way that you can arrange it? Perhaps one of the boys wouldn't mind sitting on the door of the car if you only go for short rides. It is very hard to draw the line between dignity and prudishness, but I feel sure from the tone of your letter that you are two sensible girls who will have good times and still keep the friendship of these two men.

We Announce With Pleasure That the

Shamrock Fund War Exhibit

Is On Display on the 4th Floor of Our Store

Burgess-Nash Co. secured this wonderful treat for the people of Omaha and vicinity—and it is shown on the Fourth Floor FREE -as we have arranged for this War Exhibit at our own expense.

The Shamrock Fund War Exhibit will be personally supervised by the Countess of Kingston. The exhibit comprises over 100 official photographs taken on the various battle fronts, at sea and in the air; over 50 war relics, many of them captured by Irish regiments; a collection of contraband of war loaned by the British Censor, etc.

The Shamrock Fund, of which the Countess of Kingston is President, is being raised in aid of the Soldiers' and Sailors' Help Society Employment Bureau, Dublin, Ireland, for disabled Irish Soldiers and Sailors of all religions.

The money is being raised by showing this unusual War Exhibit in leading stores throughout the country which donate substantially to the fund.

Everybody is cordially invited. A special invitation is extended to all patriotic organizations and women's clubs to attend in a body and to meet the Countess, as well as to view the exhibit.
