CALIFORNIA MAN SAYS HE GAINED **EIGHTEEN POUNDS**

Smith Feels Like New Man Since Taking Tanlac— Suffered 20 Years.

One of the strongest and most convincing evidences of the popularity of Tanlac throughout America is the large number of letters that are being received daily from well-known men and women, telling of the remarkable results they have derived from its use.

Among the many received in the past few days is one from John Smith, 313 Eighth street, Richmond. Cal., which is especially interesting. Mr. Smith states that he had suffered for twenty years, with his stomach. liver and kidneys, and had reached the point where he wished each breath would be the last. He also says that when he began taking Tanlac he weighed only one hundred and forty-eight pounds, but that he now weighs one hundred and sixty-six, making a gain of eighteen pounds, and that he feels like a new man. Following is his letter in full:

"To whom it may concern: I, the undersigned, can truthfully say that the wonderful medicine known as Tanlac has done more for me in 30 days' time, than any other medicine I have ever taken before in all my life. I have been a sufferer from stomach, liver and kidney troubles for twenty years. I have taken six bottles of Tanlac, and today I feel like a new man.

"Before I started using Tanlac it didn't make any difference what I would eat or drink, it distressed me so much that I wished the next breath would be my last. Also when I started taking this wonderful medicine, I only weighed one hundred and forty-eight pounds. Today I weigh one hundred and sixty-six pounds-have gained eighteen pounds already, and am still gaining. Also before taking Tanlac I couldn't sleep, either night or day, but now I average about nine hours steady sleep and I have an appetite like a horse. I am now fifty years of age and I can't praise Tanlac too much for what it has done for me."

Tanlac is sold in Omaha by Sherman & McConnell Drug Co., corner 16th and Dodge streets; 16th and Harney streets; Owl Drug Co., 16th and Farnam streets; Harvard Pharmacy, 24th and Farnam streets; northeast corner 19th and Farnam streets: West End Pharmacy, 9th and Dodge streets, under the personal direction of a Special Tanlac Representative, and in South Omaha by Forrest Meany Drug Co.-Advertisem
