

chances of scoring a few points are as bright as the best of them. Frank Allen of Indianapolis and his Hudson Super-Six are a combination that should be able to finish inside the money, as are also Earl Epperson of Dallas and his Monk Mercer No. 11 **RENOVATED BASE** Roy Davisson of Sabetha, Kan., has the famous French speed creation, the Dans l'Argent, and expects to clip something from the records with this bundle of dynamite.

Chappie Dasbach of Los Angeles has made no predictions as to where he and his Maxwell Special will finish, but simply says that he will be there all the time and should be able to finish soon after the field at least. The Maxwell was formerly a mount of Eddie Richenbacher's, and those who know the car say that it is capable of unlimited speed.

John M. Macfarland

In announcing my candidacy for the Republican nomination for State Senator, I desire to thank this paper and my other Republican friends for the splendid vote and indorsement I received at the primaries two years ago, and I assure them now, as I did then, that I stand for progressive legislation and enforcement of law.

# John M. MacFarland
