STORE NEWS FOR MONDAY

Telephone Douglas 2100

Monday We Inaugurate Our Annual SUMMER CLEARANCE SALE

A SALE which has always been eagerly awaited for by the people of our community for its splendid economics on our regular stocks.

The event is more important than ever this year, as the same goods will be sold at increased prices and some will be unobtainable, at a little later date.

Anticipate your future needs and pick out everything that you will need from these stocks at clearance prices.

Some lots are no longer large — some are in very small quantities, but prices are smaller, too.

Naturally we cannot list these small quantity bargains, for they'll be gone too quickly and many people would be disappointed.

But we print below as big a list as we can, of goods in fair supply, that should be here when most people arrive. But you better be here early, for we cannot make any promises, and even the largest quantities should go out in a jiffy, at such low prices.
