Empress Musical acts as a rule confine themselves to one or two instruments, but in the Archie Nicholson Trio, who headline the new bill at the Empress today, we have a trio who introduce solos, duets, and trios with trombones, cornets, saxaphones and other brass and reed instruments. A new novelty in vaudeville is introduced by Hal Stephens and Co. in their effering in "Fam-ous Characters in Famous Scenes."

Gayety.—One of the many humorous "bits" in "The Golden Crook" is the dialogue on the submarine by Billy Ariington and George Douglass. Pouglass (as captain) has no end of trouble in making Ariington (as crew) understand the name of the vessel. Harley Mayne, as prima donna of the organization, not only fills the requirements, but also the several changes of elaborate wardrobe displayed. She is of elaborate wardrobe displayed. She is indeed pleasing to eye and ear. Ladies' matinee daily all week at the Gayety.

HE MAKES THIRTY MILE JOURNEY TO **GET MORE TANLAC**

Throws Walking Cane Away After Being Relieved Of Rheumatism.

"When I first started on Tanlac 1 was so crippled up with rheumatism that I had to use two walking sticks in order to get about at all. But after taking four or five bottles every pain was gone and I have actually gained fifteen pounds besides." The above statement was made by William Choate, 34 West Riverside Ave., Spokane, Wash., recently. "Rheumatism," he continued, "was

only one of many troubles Tanlac relieved me of. I had suffered from a bad stomach for twelve or fifteen vears. I couldn't eat scarcely anything but what gas would form and almost cut off my breath, and bring awful faint, weak feelings over me. There was a terrible hurting in the pit of my stomach, and if I ventured to eat anything except the lightest food it would almost put me out of commission. "This was my condition a little

over a year ago when I made my mother and brother over in Iowa a visit. Soon after I got there my troubles got worse. My kidneys started bothering me, I had awful pains in the small of my back and constantly had headache. Then started in a siege of rheumatism which I will never forget. I was laid up for six months and was flat on my back for several weeks, hardly able to move. It started in my legs, then got in my arms and the pain was something awful, from the tips of my fingers to my toes. When I did get up I was in such

a bad shape I had to use two canes in order to get about at all and this is the fix I was in when I got Tanlac. I read the statement of a man in the paper one day that fit my case exactly, and decided to see if it would do me any good. Well, to make a long story short, Tanlac simply did wonders for me. Before I finished my second bottle, I threw my canes away and could walk as good as anyone. And eat; why, I never had such an appetite. All the sourness left my stomach, my backache and headaches disappeared and I haven't had a touch of rheumatism to this good day. One of those bottles of Tanlac I drove 30 miles to get, our local druggist being out at the time, and I RETAIL CLERKS' OUTING would do so again under the same circumstances. It's a real pleasure for me to recommend Tanlac, and I will gladly tell anyone personally

what it has done for me."
