INCREASE IN ICE RATES CHECKED BY U.S. FOOD MEN

Peddlers' Attempt to Raise Ice Rates 10 Cents Stopped by Federal Food Administrator Allen.

Efforts of ice peddlers, who buy principally from the People's Ice and consumers from 50 to 60 cents per 100 pounds, have been checked by the federal food administration for Nebraska.

Complaints coming to Oscar Allen, Douglas county food administrator, vesterday on investigation, disclosed that raises in prices came from the peddlers. Representatives of the companies, selling to these peddlers, were notified of the action of peddlers buying from them and requested to notify them that they must return to the 50 per cent price.

Late yesterday afternoon the companies stated that they had served notice on these peddlers that they must neet the old price and that the peddlers had stated they would. Some objected, but, rather than run the risks of having their ice supplies cut off, they agreed to the old price.

Companies Intend No Change.

Some time ago representatives of the big ice distributing companies of Omaha agreed to maintain a price of 50 cents per 100 pounds to consumers and that the prices would not be raised until new schedules had been filed with the food administration and approved. The companies declare consumers and have no intention of

"We are interested in the price of ice to consumers," says Allen, "and will not permit a raise in price unless we are shown conclusively that such raise is warranted. Any peddler who takes it upon himself to raise the price arbitrarily will have his ice sup-

Shortage of Coal!

Shall This Condition Exist Next Winter?

The problem is in your hands, for we can ship NOW in quantities sufficient for all. The government asks you to buy now. Be an active patriot and DO IT NOW.

Today coal shortage is already in sight. Tomorrow it will be a reality--stern--serious. Today you can order for the winter and be certain of getting it. Tomorrow is full of doubt, anxiety and misery for the unprepared. Today you can protect yourself and family. Tomorrow it will be too late.
