Alleged Bootlegger King Taken by Police Monday

Detectives Allan, Schwager and Muldoon have waited long and patiently to get the goods on one "Jim-mie" Smith, 1717 Nicholas street, alleged king of Omaha bootleggers. Monday afternoon they raided his house. "Jimmie" received them with some surprise.

"You 'dicks' won't find anything here," he told them. "That's all right, but we'll just look around," Sergeant Allan replied, and the search began. They looked in every nook large enough to hold a bottle of whisky and were ready to

quit when a suspicious looking panel in the pantry attracted their attention. The panel was removed and nine bottles of a celebrated brand were taken. With broad smiles on their faces the detectives placed "Jimmy" under arrest on the charge of illegally having liquor in his possession. This is his second offense the police Raise Home Guard Funds.

N. P. DODGE went "over the top" in the legislative trenches time after time for the people to free Omaha and the State from the "gang" and the sordid selfishness of the public service corporations, thus making our State free from their influence.

N. P. Dodge fought four terms for the Omaha Water Plant, two terms for the Direct Primary and he was one of the leaders in the famous legislature of 1907 that took our State government out of the hands of the railroads and restored it to the people by enacting the Primary Election Law, abolishing the free railroad pass and thus destroying the railroad political machine.

N. P. Dodge knew that Omaha needed honest elections, and that the Third ward gang and the corporations that supported it were stealing elections by repeaters, false registrations, and ballot box stuffing and fake returns by election officials. He drew and passed the Election Commissioner Law (known as the Dodge Honest Election Law), which has been so ably administered by Harley Moorhead. We now have honest elections whereby you can defeat improper franchises and elect whom you please.

These acts for the public good proved his sound judgment, unselfish interest and rugged determination to fight for clean, efficient government. He has "made good" in full measure.

NOW, MEN OF DOUGLAS, SARPY AND WASH-INGTON COUNTIES, go to the polls and vote for N. P. DODGE FOR CONGRESS, to show your appreciation of a man who has served the people well and is deserving of your support. Our boys are giving all of their time and possibly their lives to our country. The least you can do for your country is to go to the polls Tuesday and nominate a man for Congress who can win for you, a man who has a record of actual, constructive deeds of public benefit.

The polls are open from 8 A. M. to 8 P. M. Tuesday, August 20th.
