

SOUTH SIDE URGENT DEMAND FOR WOOL, SAYS GENE MELADY

Output of Wool Is Not Enough For Needs of Nation, the Army and the Red Cross.

"In view of the fact that the army, navy and Red Cross requirements for wool will exceed 900,000,000 pounds, while the country's production this year will be around 280,000,000 pounds and the country's needs will demand about three times the present production, prices in the wool market are bound to rise," says Gene Melady, of Melady Bros., five stock commission merchants.

RELIABLE METHOD OF HAIR CARE

Hair is by far the most conspicuous thing about us and is probably the most easily damaged by bad or careless treatment. If we are very careful in hair washing, we will have virtually no hair troubles.

Cocoanut Oil Makes A Splendid Shampoo

If you want to keep your hair in good condition, be careful what you wash it with. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful.
