NO WRESTLING MATCH AT STATE FAIR DECIDED

Enlistment of Top Notchers and Zbyszko Injuries Eliminates - A-1 Opponents for Pesek.

Lincoln, Neb., Aug. 27. (Special).— Efforts by Ray Page, Lincoln pro-moter, and Mart Slattery of Shelton, manager of John Pesek, wrestling phenom of Buffalo county, to match Pesek against one of the top-notch heavies, the bout to be staged on the fair grounds in Lincoln during state fair week, have flivvered. A Stecher-Pesek match was first suggested by Page and Slattery, but the Dodge boy explained that he had just enlisted in the navy and, having no assurances of getting a furlough, could not contract to go through with the propos-

Then came Jack Curley of New York with an announcement that he ould pit Wladek Zbyszko, the Polish strongman, against the Buffalo county wonder. Curley's telegram to accepting terms, was assumed to be binding and the match was anmounced two weeks ago, but all this was knocked into a cocked dicer when Curley flashed another wire in which he declared that Zbyszko had been "injured in training." Page then shifted to a Pesek-Lewis bout, but the military authorities at Camp Grant, where the "Kentucky strangler" is in training, refused to issue the soldier-wrestler a leave of ab-

Substitutes Not Wanted.
John Olin, Yussif Hussane and Steve Savage were offered as substitutes for the "big three," but promoter Page had assured the state fair board that he would put on a match of championship caliber or nothing at all, so all negotiations were called off, and Lincoln will have no state fair mat match.

Largery Lichtenstein of Chicago

Larney Lichtenstein of Chicago, associated with Manager Slattery in booking Pesek matches, insinuates that Zbyszko's injury was a plain case of "running out," while a post-card received in Lincoln today from Jack Curley declares that Zibby will be out of commission for at least a

A heavyweight wrestling tourna-ment is scheduled for Des Moines this week—an adjunct of the Iowa state fair. Zbyszko is one of the entries. In event Zibby shows up at Des Moines and takes part in the tournament. Lichtenstein will win the argument. Otherwise, Zbyszko and Curley will be entitled to a verdict of not guilty. The developments at Des Moines will settle the debate.
