

### ARMY FLYERS TO EXHIBIT HERE ON ORIGINAL DATE

Will Arrive Friday and Fly Saturday Instead of Sunday; to Land at Field Club.

Revised plans for the exhibition in Omaha of the American and British fleet of aviators call for the display flights in Omaha on Saturday, as originally planned, instead of Sunday, as was announced Tuesday. The flyers will arrive in the city Friday, says Lieut. E. G. Montgomery, advance officer for the aviation mission, now in the city, and after flying over the downtown section of the city Saturday will leave for St. Paul, the next stop on their itinerary.

The return to the original schedule was made possible through the shortening of the Des Moines exhibition from two days to one day. The flyers will spend only Thursday at Des Moines, giving exhibition flights at the fair and will arrive in Omaha Friday morning. It is planned to have the party land at the Field club grounds, which have been inspected by Commissioner Manley of the Chamber of Commerce and by Major Van Nostrand of Fort Omaha.

Ten American planes and three British planes make up the party. Six of the American planes were of the Curtis bi-plane type equipped with Hispano-Suiza motors. Two are De Havillands equipped with Liberty motors and with four machine guns each, two on each plane shooting through the propeller and two operated by the observer in the rear of the pilot. Two speed scout planes make up the American section.

Immelmann turns, vertical banks, loops, tail spins, spinning nose dives, barrel rolls and side slips will be some of the stunts which will thrill Omahans in the spectacular aerial combat between Lieuts. Samuel M. Connell and T. E. Welsh of the American air service.

This aerial combat will demonstrate all of the difficulties which attend the maneuvering of two hostile scout planes for advantageous positions.

### Soldiers' Field Day Will Be Staged at Fort Omaha Labor Day

Events ranging from a "full equipment race" to a 12-pound shotput and a "shoe race" will fill the afternoon at the Chamber of Commerce field day for soldiers at Fort Omaha on Labor day. Only soldiers will participate in the field day, which has been arranged by the Chamber of Commerce.

The program will open with a 100-yard dash, followed by a 220-yard dash, a half-mile race around the parade ground, a three-legged race, an obstacle race and a shoe race. Complete squads will participate in the full equipment race. Squads will run 50 yards, put on full equipment and return with the squad lined up at attention.

A 12-pound shotput, a discus throw, a pole vault, a running broad jump, a high jump and a relay race will complete the first part of the field day.

A base ball game between the army and a team from the city under the direction of the recreation committee of Fort Omaha will comprise the second part of the events. The lineup of the base ball teams will be announced later.

Rules governing the field events will be issued later. All companies in Fort Omaha and Florence field are required to take part. Prizes will be offered for each event. Colonel Hersey has granted the soldiers at the fort a half holiday for the afternoon. A few tickets will be given out, mainly to war work committee members.

### Henry McDonald Assured of Victory Over Henry Dunn

Henry S. McDonald is assured of the republican nomination in the First county commissioner district, by a lead of 10 votes over Henry W. Dunn. This contest has been determined by adding the figures entered by the official canvassers, who have progressed far enough to include all of this commissioner district.

James P. O'Hara has been watching the official canvass closely and he now claims a lead of 20 votes more than Ray J. Abbott, present deputy county attorney. It has been practically conceded that O'Hara will be the democratic nominee for county attorney.

### Birthday Celebrants Will Donate Pershing Day Cake

Official sanction has been given the plan suggested by a minister's wife at Antioch, Neb., for the raising of a fund to pay for the big birthday cake to be used in celebrating Pershing's anniversary here on September 13. The plan is that every patriotic person in Omaha having a birthday between now and September 13 give at least 1 cent for each year they are old. The cake will cost at least \$100—or 10,000 birthdays.

Mrs. J. W. Kent of 2124 North Fifteenth street, was the first to follow the plan. On September 13—Pershing's birthday—she will be 61 years old. She gave 61 cents.

### Five Alleged Deserters Will Be Inducted in Army

Federal authorities are holding three white men, Lee Waters, San Diego, Cal.; Michael Bellotti, Detroit, Mich. and Alex Swinton of Newcastle, Wyo., and two negroes, Will Moses, Grove Hill, Ala., and Robert Lewis, smelter employes, as deserters from military service. All of the men will be inducted into the service.

### Railroad Conductor is Held Up by Three Negroes

N. W. Gordon, an M. & O. railroad conductor, living at the Drexel hotel, reported to the police that he was held up and robbed by three negroes Tuesday night at Fifteenth and Webster streets, about 12 o'clock. A valuable watch was taken.
