DAN CUPID has not loitered these summer months; he has waged his merry war in spite of torrid weather and now in the cool days of early autumn, he is chuckling gleefully over the fruits of his harvest. The wily love god is no respecter of persons, royal or otherwise, for one fair captive is none other than the reigning queen of Ak-Sar-Ben, Queen Elizabeth Reed will become the bride of Lt. Isaac Carpenter in the month of the golden harvest moon. With six charming girls as her attendants the wedding promises to be one of the prettiest of the season.

The same evening there will be a quiet wedding ceremony of equally prominent young people, that of Miss Amy Gilmore and Mr. Robert Switzer. In keeping with the war-time spirit, appointments will be very simple and only the members of the two families will be present. The ceremony will take place in the apartment of Dr. and Mrs. Robert Gilmore at the Fontenelle, Rev. Edwin H. Jenks officiating. Mrs. Arthur Krock of Louisville, Ky., who has visited the bride-to-be many times, was to have been a wedding guest but will be unable to come owing to illness. A wedding will be served following the ceremony for the immediate relatives.

**Graham-McGuire Betrothal.**  
Engagements and rumors of more are coming thick and fast. A most charming girl who once lived in Omaha has not forgotten her early home, for today Mr. and Mrs. P. S. McGuire of Wheatland, Wyo., formerly of Omaha, announce the engagement of their daughter, Margaret Irene, to Alan Herndon Graham, ensign, United States naval aviation, son of Mr. and Mrs. Charles E. Graham of New York City and East Orange, N. J. No definite date has been set for the wedding.

Miss McGuire is well known in Omaha, as she attended the Central high school, later studying at the Martha Washington Seminary in Washington, D. C. This attractive bride-to-be has spent much time in the east of late years and the announcement of her engagement to an eastern man does not surprise her friends.

Ensign Graham attended Colgate university and is a member of Beta Theta Pi fraternity. He received his training in Boston, New York and Pensacola, Fla., where he is now awaiting orders. Prior to his enlistment, Ensign Graham was engaged in chemical research work for the government.

Mr. and Mrs. Edward M. Wellman announce the engagement of their daughter, Elizabeth, to Eugene F. Vaughan of Omaha. Mr. Vaughan is now in Asheville, N. C., and expects to join his company in France shortly. Miss Wellman will resume her work in the National Kindergarten college in Chicago next week.

**Eastern Star Officers' Party.**  
Mrs. Florence Waterbury entertained the Past Matrons' and Past Patrons' club of Vesta chapter No. 6, Order of Eastern Star, at dinner at Seymour Lake club Monday evening. A huge basket of garden flowers formed the centerpiece with green vines laid in the form of stars on the table, with small baskets of thistles at each point. The place cards were tiny stars, containing one line of our national hymn, "America," which all joined in singing. After the dinner, Walter B. Graham, vice president, sang, "God Be With Our Boys Tonight." The evening was then spent informally. Covers were laid for Messrs. and Mesdames Water B. Graham, Harry E. Ledyard, D. M. Bartley, I. Tompsett, George R. Ticknor, Dean T. Gregg, George R. Porter, Batterson and Louis Berka; Mesdames Samuel Watt, Maria Baxter, Eleanor Bailey, Florence Waterbury, and Misses Winifred Wallace, Beth Davis, Rose M. Owen and Violet Dodge, and Dr. Roy A. Dodge.

**Marriage Announced.**  
Mrs. Tom Flynn announces the marriage of her daughter, Helen Sprague, to Mr. C. J. Cogley, son of Mr. and Mrs. Ed Cogley of Council Bluffs. The ceremony took place August 3 in Great Falls, Mont. Before returning the young couple will visit Glacier Park, Billings and Butte.

The bride attended school in Montana and the bridegroom is now studying medicine at Creighton college. He is a member of the Phi Delta Pi and Phi Beta Phi fraternities. The young couple will make their home with the bridegroom's parents.

**Farewell Reception.**  
Mrs. H. A. Mason, president of the Columbian club of Sacred Heart parish, was tendered a reception Tuesday evening by the club. Mrs. Mason is leaving Omaha and will join her husband.

## Visiting Nurse Tag Day Committee

Left to right: Mrs. Louis Clarke, Mrs. Willard Hosford, Mrs. H. O. Edwards, Mrs. Herbert Rogers, Mrs. G. J. Ingwersen, Mrs. W. J. Hynes, Miss Clara Thomas, Mrs. T. L. Davis and Mrs. Walter Roberts.

Sixty thousand tags have been provided to be pinned onto the contributing public by directors of the Visiting Nurse association and their helpers Wednesday, which is the annual tag day on which funds are collected for this much needed charity.

Last year more than \$3,000 was collected on tag day. This year it is hoped that the \$5,000 mark will be reached, and every bit of it is needed to carry on the work of mercy to which the blue clad "little sisters of the poor" have devoted their lives.

"There are so many little babies coming," said one of the nurses recently. "One day last week we helped seven little ones into the world, and there have been three pairs of twins born this week where our assistance has been required."

Every social service organization in the city calls on the Visiting Nurses when there is illness among their charges, and the response is always instantaneous and generous.

No large sums are solicited to finance the nurses, but people are asked to contribute their mites for the purchase of these little tags, and the bigger the mite, the more illness and misery can be relieved during the coming year.

Committee members and their help-

ers will be stationed at the following booths:

**Flashlight.**  
Sometimes even the fellow who is on the level has an uphill fight.

Unfortunately when people find it necessary to economize charity is the first thing to get in the neck.

Money may be the root of all evil, but most people would like to have a lot of it to plant.

Roses for the dead are all right if you've given prizes to the living.

Nothing makes a man want to have his way all the time like not letting him have it a part of the time.

The reason some men don't get credit for what they can do is because they never do the things they are afraid someone else will get the credit for.

Any married woman will tell you that if you don't see her husband's hat on the piano and his coat in the best chair, it's because he isn't home.—Detroit Free Press.

**After Vacation Peel Your Discolored Skin**

Women returning from the seaside with browned, reddened or freckled complexions will be wise in immediately taking up the mercural seed wax treatment. Weather-beaten skin had best come off, for no amount of "beautifying" will ever make such skin pretty to look at. The surest, safest, easiest way to shed the discolored cuticle is with the treatment suggested. Put the wax on before retiring, as you would cold cream, and rinse off next morning with warm water. Minute particles of scar skin will peel off day by day, gradually showing the healthy, youthful skin beneath.

One ounce of mercural seed wax, obtainable at any drug store, is enough to make any discolored or spotted complexion clear, white and satiny soft. Its action is so gentle no harm is caused and the face shows no trace of its use.—Adv.
