> Two Men With Whisky in Auto Crash Into Trolley

In an automobile accident at Twenty-second and Leavenworth streets at 6 o'clock Monday night two Council Bluffs men, H. A. Murray, 1824 Sixth avenue, and J. Harris, 723 Minster street, miraculously escaped death when the auto in which they were riding collided with a street car. Murray, who was operating the motor, escaped without a scratch, but Harris was badly cut about the face when he was hurled against the wind-

Witnesses told the police that the car was being operated at a high rate of speed and that apparently Murray avoid the collision. Both men, the police say, were under the influence of liquor, and a pint bottle of whisky was found in the car. The injured man was removed to a nearby house, given surgical attention and both men were placed under arrest-Murray on the charge of being intoxicated, reckless driving and unlawful possession of liquor, while Harris was booked on the charge of being intoxicated and unlawfully having liquor in his possession. Bail for each one was fixed at \$125. The police took possession of the wrecked car and will hold it, as they think it was a stolen one. An examination of the auto shows that the original number plates have been removed and other ones substituted.

Kumagae Outplayed.

Kumagae was unable to play the ball at the height which is most favorable to his lobbing, Lawford stroke. Numerous returns struck the net and it was only occasionally he could get the ball in position for drives along the side lines.

Tilden, always holding the upper hand, would leap to the net and with a smash or vicious cross court drive, send the ball beyond the reach of the Japanese.
