

## REGULAR SUGAR RATION EXHIBIT AT BIG BAZAAR

One Lump Per Month Was Bohemian Portion, According to Czecho-Slovak Fair; Many Displays.

There is a cone of sugar on exhibition at the Czecho-Slovak bazaar that constituted the sugar ration of one person for a month 45 years ago in Bohemia. This cone weighs just three-fourths of a pound and is so hard that a small iron hatchet is provided to chop off the sugar as it is used. The hatchet is also on exhibition at the bazaar, and both are the property of Mrs. Lena Miskovsky.

Another interesting display is found in a miniature army which depicts the followers of John Huss, the great Bohemian reformer, defending themselves against their feudal overlords, who were German noblemen. Each of the 60 figures is made of metal and colored according to the colors of the costumes of the times. Each figure is different and shows the domestic arm implements that the peasant soldiers used for weapons. This metal army was designed by Professor Kuffner at Prague, and is the property of Stan Serpan.

The Rev. C. Cejnar has a toy village at the bazaar which was made in Bohemia. It is carved entirely out of wood and painted in natural colors. The village is composed of 25 pieces and includes a grocery, a butcher shop, the village mill, houses and barns and fences.

Friday is Red Cross day at the bazaar and Friday evening a special Red Cross chicken dinner is to be served at the bazaar restaurant.

In the evening the Howells Citizen band of Howells, Neb., will furnish the music.

The executive committee of the Commercial club will attend the bazaar in a body Friday evening.

### Christian Bull, 78, Dies;

In Nebraska Since 1867

A continuous resident of Douglas county since Nebraska became a state in 1867, Christian Bull, 78, retired farmer of Millard, Neb., died suddenly at his home Wednesday evening.

He had been walking about in his garden, apparently in good health, but as he entered the house he dropped dead.

Mr. Bull was born in Mecklenburg, Germany, in 1839, and came to America in 1865. Two years later he came to Omaha, where he lived until 1876, when he moved to a farm five miles northwest of Millard. Here he lived until 1900, when he retired and moved to Millard.

Mr. Bull was well known throughout Douglas county and had many friends in Omaha, especially among the earlier residents.

He is survived by four sons, Henry, Christian, John and Louis, and by one daughter, Mrs. Henry Kohlbj of Elkhorst. Of his 14 grandchildren, two are in the United States army in France, and one of them in a training school for officers.

Funeral services will be held Friday afternoon from the Lutheran church at Millard. Rev. Mr. Huff will officiate. Burial will be in Pleasant Hill cemetery.

### Many Out-of-Town Men

Register Ahead of Legal Day

More than 100 out-of-town registrants between the ages of 18 and 46 years registered in Omaha Thursday so that their registration cards can be mailed to their local boards in time to reach them before September 12, the day designated for the nation's second great mobilization of manpower.

Board No. 3, in the city hall, seems to be the most easily accessible and was crowded most of the day with travelers who wished to register.

Draft boards declare that many men of 45 years do not realize that they must register. All men who have not yet attained their 40th birthday are required to register and those who fail to comply with the law will be punished.

## INDUSTRIAL BANK ORGANIZED HERE

Officers and Directors Are Elected at Meeting at the Hotel Rome Last Night.

Organization of the Industrial Loan and Investment company bank was perfected at a meeting of stockholders in the Rome hotel Thursday night, when directors and officers to serve until January 1 were elected.

Directors named were: H. W. Wulf, chairman; R. W. Hutchison, Rev. Robt. L. Wheeler, C. T. Cullen, Lyle Hersey, Zoro D. Clark, W. L. Wheeler, T. G. Travis, A. S. Carter, F. W. Adams and W. C. Thomas. Officers elected were: Rev. Robt. L. Wheeler, president; Albert S. Carter, vice president; F. W. Adams, secretary and treasurer; Albert B. Wimssett will be manager of securities.

The bank will open for business September 16 in offices in the Railway Exchange building. Fred W. Adams will be the manager.

The bank will be operated on the industrial plan and will make loans exclusively to wage earners. A cooperative feature of the plan encourages the purchase of stock by patrons of the bank and provides for the payment of interest to shareholders who also are borrowers, thus reducing the actual cost of the loans. This plan now is in successful operation in Kansas City, Oklahoma City, Denver and several other large cities, according to the directors. Similar banks will be organized in the northwest and on the coast.

The company is incorporated for \$100,000, most of the stock having been subscribed for by Omaha business men.

## BENSON WOMAN SUFFERED MORE THAN 40 YEARS

Takes Tanlac and Now Feels Better Than Ever Since She Can Remember.

"I suffered from some sort of trouble that kept me in poor health ever since I was a young girl, but after taking Tanlac I feel better than I ever have since I can remember," said Mrs. H. McGuire, of 2530 North Sixtieth street, Benson, the other day. Mrs. McGuire is the widow of the former postmaster of Benson, before that suburb was annexed to Omaha, and her son is his father's successor in office.

"It is a fact," she continued, "that for more than forty years I was ailing most all the time and seldom saw a well day. My liver and kidneys worried me constantly, my appetite was away off, I didn't relish my food and simply suffered agonies from indigestion. My condition was especially bad this summer and I had to be most careful about what I ate. I was so nervous that I could hardly sleep and I would get so dizzy at times that I felt like I was going to fall. I had an awful pain in the back of my neck clear down to the small of my back that was so bad I could hardly stand it. I lost weight and was so weak and rundown that I was hardly fit for a thing.

One day while in Sherman & McConnell's drug store I told the Tanlac representative about my troubles. He recommended Tanlac and I followed his directions carefully. The results I have obtained from the few bottles taken have been simply marvelous. My liver and kidney troubles are now a thing of the past, my stomach is in fine condition, I can eat anything I want and as much as I like without having any trouble afterwards. I am not nervous like I was before and I sleep like a baby from the time I go to bed till I get up late in the morning. I never have any dizzy spells and am perfectly free from pains and aches of all kinds. I have regained my lost weight and I feel so grateful for my restoration to health that I am telling all my friends about it and praising Tanlac every day."

Tanlac is sold in Omaha by Sherman & McConnell Drug Co., corner 16th and Dodge streets; 16th and Harney streets; Owl Drug Co., 16th and Farnam streets; Harvard Pharmacy, 24th and Farnam streets; north-west corner 16th and Farnam streets; West End Pharmacy, 49th and Dodge streets, under the personal direction of a Special Tanlac Representative, and in South Omaha by Forrest & Meany Drug Co.—Advertisement.
