"Nemo" for Comfort and Style

If your next purchase of a Corset is a Nemo you will have the satisfaction of knowing you have combined style and comfort with true Corset economy.

Every woman should wear a particular style of Corset. Your Corset should be chosen even more carefully than your outer apparel, because the Corset is the foundation and a new suit fitted over an old Corset would be ruined. Have your Corset fitted before getting your New Fall Clothes.

Our Corsetieres are at your service without extra charge.

We say it is Economy to buy Nemo Corsets, because they wear well and when correctly fitted the Corset molds the figure into fashionable lines and at the same time brings health and comfort.

Nemo Corsets are priced **\$3.50 to \$12**
 Nemo Brassieres are priced **\$1 to \$3.50**

Nemo Style 505 for the stout figure.  Other Styles in Nemo Corsets priced.....**\$3.50 to \$12.00**

Nemo Style 511 is a very popular model for the woman who requires little abdominal reduction but who is too large otherwise below the waist line. This Corset is very long below the hips with elastic band across the thighs and back. Sizes 22 to 36.....**\$6.00**

Nemo Style 311 is a self-reducing model, low top and long over hip. Sizes 22 to 36.....**\$4.00**
