

FATAL ACCIDENT AS AUTO MISSES AUBURN BRIDGE

High School Lad Killed and Boy and Girl May Have Been Fatally Injured.

Auburn, Neb., Sept. 15.—(Special Telegram.)—George Stiff, a high school boy of this city, was killed and Paul Elliott and Gladys Sellers are expected to die, while a young woman named Gage was very seriously injured in an automobile accident a mile and a half southwest of the town of Julian about 9:30 Sunday night.

All of the parties involved in the accident are residents of Auburn and are high school students here. Sunday afternoon the party took an automobile trip to Nebraska City in the car belonging to and driven by Paul Elliott. They were returning and, at the place where the accident occurred, they were supposed to travel at a high rate of speed and went off a temporary bridge into a deep ditch.

The old bridge on the road had been taken out and a temporary structure erected to the east. It is thought the driver failed to make a proper turn to get on the bridge. Persons who came to the rescue found that Stiff had been instantly killed and discovered Elliott, the driver, and Miss Sellers lying alongside the car in an unconscious condition. The latter suffered a hemorrhage of the brain and both are in precarious condition.

Miss Gage is suffering from two broken ribs and other severe injuries, besides the shock of the accident, and is in a very serious condition.

Another accident which may terminate fatally to Marion Baker, one of Nebraska's most prominent orchardists, occurred on the Saucy hill, east of Auburn, Sunday afternoon.

Baker, who lives at Brownville, had a party consisting of Mr. and Mrs. Clyde Diltz and Mr. and Mrs. Floyd Douglas, in his car and was returning from Auburn to their home. While coasting down the hill the car turned turtle and all were thrown out. Baker, owner and driver of the car, received internal injuries of a very grave nature.

Mrs. Clyde Diltz, one of the passengers, was terribly injured and the other three occupants of the car escaped with broken noses and fractured ribs.

Young Farmer Injured. Lawrence Nelson, a prominent young farmer, living east of Auburn, was kicked in the head by a horse, Sunday night, and 24 hours after the accident he had not yet regained consciousness. His condition is considered very serious.

Woodrough Imposes Fines and Penalties Upon Law Violators

Norfolk, Neb., Sept. 16.—(Special Telegram.)—Federal court opened here Monday with Judge Woodrough presiding.

B. N. Carr of this county pleaded guilty to a violation of the liquor law and was sentenced to 30 days in the county jail.

John Donner, said to have threatened the life of the president, was discharged after a jury had been drawn. It was uncertain whether he had made the alleged statement after the espionage law was passed.

M. Zick charged, with mailing obscene matter to W. H. Needham at Bloomfield, was given a fine of \$50.

Harry Johnson was given a six months jail sentence for second offense of selling liquor to Indians.

The case of the United States against W. A. Emery, charged with sedition, will go to a jury Tuesday morning.

Grand Island Student Killed by Automobile

Grand Island, Neb., Sept. 16.—(Special Telegram.)—Miss Ella Peterson, 21 years of age, a student in the Grand Island Business college, died after being struck by an automobile driven by Edward W. Bentley. Her skull was fractured. Her home is in Rockham, S. D.

She was dragged 18 feet before the taxi was held up to the police after taking the woman to the hospital.

It is expected that a manslaughter charge will be filed. He is married and has three children. He had taken out a special license to drive during the fair.

Brother Against Brother

Fremont, Neb., Sept. 16.—(Special Telegram.)—The trial of Fred Langwisch and Fred Borchering, Winslow business men, on charges of sedition, began in district court today. Martin Borchering, brother of one of the defendants, came from Fort Omaha, where he attends the balloon school, to testify against the two defendants. Private Borchering reported the case when he came to Fremont to enlist six weeks ago. Another brother, August Borchering, of Winslow, is one of the principal witnesses. The defendants are charged with saying "this is a rich man's war," and that "the United States had no right to send her ships across the ocean after Germany had told her to keep off."

City of Omaha Denies Need of Raising Car Fare Claimed by Co.

From a Staff Correspondent. Lincoln, Sept. 16.—(Special.)—The City of Omaha filed with the State Railway commission today an answer to the supplemental petition of the Omaha & Council Bluffs Street Railway company in its application for a raise in car fare rates from 5 to 6 cents, denying the claims of the company. The city denies that increases in taxation have been 50 per cent and charges that for many years past the street car company has annually paid out large sums as dividends on its preferred and common stock amounting to an aggregate of more than \$1,000,000. The city denies that emergency exists calling for a raise in fare.

Asks Modification of German Language Order

Lincoln, Neb., Sept. 16.—The Americanization committee of the state council of defense appointed by Governor Neville held a meeting today in Representative hall, attended by 400 German, Swedish and other nationalities who desired a modification of the order of the council regarding the preaching and teaching of foreign languages. The committee consists of Rev. John Williams, Omaha; C. H. Gustafson, Lincoln; John E. Miller, Lincoln; F. W. C. Jesse, Seward; W. V. Allen, Madison; Father Thobold, Kalama, Omaha; Chris Gruenther, Columbus; Ed H. Coufal, David City.

Most representatives of the different school and church organizations said that they would be satisfied with a modification of the order which would permit the preaching of the German or Swedish language once each Sunday for the benefit of the old people who could not sufficiently understand the American language. The hearing will be continued tomorrow at 9 o'clock.

IT'S NOT YOUR HEART; IT'S YOUR KIDNEYS

Kidney disease is no respecter of persons. It attacks all classes, regardless of age, sex or condition. A majority of the ills afflicting people today can be traced back to the kidney trouble. The kidneys are the most important organs of the body. They are the filters, the purifiers of your blood. If the poisons which are swept from the tissues by the blood are not eliminated through the kidneys, disease of one form or another will claim you as a victim. Kidney disease is usually indicated by weariness, sleeplessness, nervousness, dizziness, backache, stomach trouble, difficulty when urinating, pain in loins and lower abdomen, gall stones, gravel, rheumatism, sciatica and lumbago. All these derangements are nature's signals to warn you that the kidneys need help. You should use GOLD MEDAL Hairlem Oil Capsules immediately. The soothing, healing oil stimulates the kidneys, relieves inflammation and destroys the germs which have caused it. Do not wait until tomorrow. Go to your druggist today and insist on his supplying you with a box of GOLD MEDAL Hairlem Oil Capsules. In twenty-four hours you should feel health and vigor returning and will bless the day you first heard of GOLD MEDAL Hairlem Oil. After you feel that you have cured yourself, continue to take one or two capsules each day, so as to keep in first-class condition and ward off the danger of other attacks. Ask for the original imported GOLD MEDAL brand. Three sizes. Money refunded if they do not help you.—Adv.

Fined for Having Liquor

Fremont, Neb., Sept. 16.—(Special Telegram.)—C. H. Spiker, owner and driver of the automobile that was wrecked when it went into the ditch six miles east of Fremont last Friday, was fined \$100 and costs in county court for having booze in his possession. Mr. and Mrs. John Hinzey, other occupants of the car, were prospective customers. Mr. Hinzey is at a local hospital with a fracture of the skull and other serious injuries. Mrs. Hinzey was slightly injured.

Clergyman's Narrow Escape

Carthage, S. D., Sept. 16.—(Special Telegram.)—As the result of patriotically "outletting" to paint the exterior and interior of the school building, Rev. Mr. Dehorn, pastor of one of the local churches, narrowly escaped from being shot when some boys came along while he was painting the building and talked of using the door of the school house as a target for their shotgun. The clergyman inside jumped away just as they fired through the door.

WHY SOCIETY WOMEN WASH THEIR OWN HAIR. They do, not because it is a fad, but because they wish to obtain the greatest possible hair beauty and be sure they are not using anything harmful. They have found that in washing the hair it is never wise to use a makeshift, but it always advisable to use a preparation made for shampooing only. Many of our friends say they get the best results from a simple home-made Canthrox mixture. You can use this at a cost of about 3 cents a shampoo by getting some Canthrox from your druggist and dissolving a teaspoonful in a cup of hot water. This makes enough shampoo liquid to apply to all the hair, instead of just the top of the head, as with most preparations. Dandruff, excess oil and dirt are dissolved and entirely disappear in the rinsing water. Your hair will be so fluffy it is never wise to use a makeshift, but it always advisable to use a preparation made for shampooing only. Your hair will be so fluffy it is never wise to use a makeshift, but it always advisable to use a preparation made for shampooing only. Many of our friends say they get the best results from a simple home-made Canthrox mixture. You can use this at a cost of about 3 cents a shampoo by getting some Canthrox from your druggist and dissolving a teaspoonful in a cup of hot water. This makes enough shampoo liquid to apply to all the hair, instead of just the top of the head, as with most preparations. Dandruff, excess oil and dirt are dissolved and entirely disappear in the rinsing water.
