

PRINCE LOREE WINS ANOTHER \$10,000 TROT

Defeats Field of Nine in Hoster Columbus Stake; David Guy Victor in Sensational Race.

Columbus, O., Sept. 18.—Prince Loree, winner of the \$10,000 stake at Syracuse last week, owned by Capt. David Shaw, of Cleveland, won another \$10,000 trot here today, when he defeated a field of nine in the Hoster Columbus stake in straight heats, outstepping the slight favorite, Antee, Guy, in the betting. Best time, 2:06 3/4.

One of the greatest battles ever seen on this track developed in the 3-year-old trot—the Horse Review feature, which David Guy eventually won in the third heat in a wire-to-wire drive with Nella Dillon. The half was trotted in 1:02. This clip told and the mile was won by David Guy in 2:07 1/4. He had a nose to spare. At no time did a length separate these game trotters in the first mile. David Guy broke the first heat and Nella Dillon won by herself. She had the second heat and race apparently won when Murphy made a great drive the last 100 yards and collared Nella.

Belle Alcantara won the 2:07 pace in straight heats, best time 2:04 1/4. Zombirio was the contender in the first heat. Walker was substituted by the judges after the first mile and Zombirio was eventually distanced. Lizzie March was favorite in this race. The drive of Lawrence was not liked and Valentine was put up behind the mare for the second heat. She finished eighth again and was drawn for the third mile.

The field of 15 in the 2:15 trot had John K as the winner, best time 2:09 1/4. Summaries:

Ex-Mayor Beardley of Kansas City, chairman of the United War campaign of the Central division, explained the national campaign. Nebraska, with 13 other states, comprises the Central department. Nebraska is divided into 20 districts, including from one to 11 counties each, with an executive committee of 14, each of the seven organizations having two representatives. Committee is Named.

Officers of the state committee include: Judge George F. Corcoran, York, chairman; Leo Rosenthal, Omaha, vice-chairman; Grace F. Gholson of the Y. W. C. A., recording secretary; C. C. Belden, Omaha, treasurer, and Charles Strader, Lincoln, state director.

Strader appointed O. C. Oberlies of Lincoln executive secretary, and Grace F. Gholson state executive for women. There also will be united publicity.

Quota Explained.

Mr. Strader explained that the quota of each state would be 6 1/2 per cent of the quota of the third Liberty loan.

Clarissa Spenser of London, England, represented the Young Women's Christian association and told of her work in Petrograd. The Rev. Dr. Charles T. Wheeler, who has just returned from the front line trenches in France, told of the work the Salvation Army is doing there.

"Victory Boys" is Plan.

A new plan has been adopted by the United War Campaign to interest boys in the war. These boys will contribute \$5, which they have earned themselves for the welfare of one soldier. Nebraska is asked to furnish 16,000 Victory boys. Wednesday evening, Allan Albert, past president of the Rotary club, and "Dry" Davis, who has just returned from Young Women's Christian association work in France, were the principal speakers.

Woman's Relatives Found,

But Without Result

"Please find my husband and brother for me," wrote Mrs. Stewart, a negro, living in St. Paul, to the Omaha police. She stated that she had not had a letter from her husband in four months; that she had a 2-year-old child to support; and that, worst of all, she received word that he is living with a white woman in Omaha. She enclosed the marriage license to show she was Mrs. Stewart. She also said her brother, M. G. Reynolds, was in Omaha.

The police found both the husband and brother, but both seem unaffected by the tale of woe from St. Paul. Stewart says his wife ran away with another man and left him alone, and the brother says he has all he can do to take care of himself.

Cruelty on Part of Wife

After 28 years of married life, Wilber A. Hoyt now alleges that his wife, Unica Hoyt, the mother of seven children, has been guilty of cruelty and he asks a divorce, a petition for which was filed in district court Wednesday.

Mr. Hoyt alleges his latest petition is but a sequel to a similar action started in February, 1916. At that time he was refused a divorce and was ordered to pay his wife and family \$60 a month for their support. He now alleges that during much of the time since he has been unable to make a regular payment and his wife has had him arrested on several occasions in an endeavor to force payment of the \$60. He alleges this constitutes cruelty on the part of Mrs. Hoyt.

Women to Be Given Chance to Become City Firemen

Chief Salter of the fire department has been impressed by the suggestion of Chief Bywater of Salt Lake City, Utah, that women could serve as efficient fire fighters. Omaha may have "fire lassies" sooner than may be expected. "This war has demonstrated that women can do more things than we had believed," Chief Salter said. "I don't believe that fire fighting is quite in their line, but I would be willing to give them a chance. There are some women whom I believe could do the work."

Assistant Chief Simpson is not

quite so sure about "women making desirable fire fighters."

Superintendent Zimman of the fire department stated that one never knows what a woman can do until she tries. He sees no reason why women should not be on the fire department if they wish. There are a few vacancies at present and women applicants will be given serious consideration if they will call at fire headquarters and fill out application blanks.

Assistant Superintendent Ryan of the public schools, is of the opinion that women could extinguish fires with neatness and dispatch.

Y. Man With Sweets and Fags Wins Hearts of American Troops

With the American Army on the Lorraine Front Tuesday, Sept. 17.—(By Associated Press.)—The Y. M. C. A. has won its place in the hearts of the American soldiers and an instance of the service rendered by these workers is given in a story told of the recent fighting. On the morning of the American advance against the St. Mihiel salient, a Y. M. C. A. man appeared among the soldiers carrying a huge pack on his back. He did not explain his presence except by a whispered word to a company commander, who nodded approval.

When the order to advance came he moved with the men. At the first pause, while the soldiers sheltered behind a little rise of ground, the Y. M. C. A. man made his way from soldier to soldier, giving each a cake of chocolate and a bunch of cigars. When his pack was exhausted he returned to the rear, but reappeared in a few hours with another bundle. He repeated his trips until his organization was able to bring up supplies in larger quantities.

California Parties Give Approval to Dry Measure

Sacramento, Cal., Sept. 18.—An effort to eliminate from the platform committee's report a plank favoring ratification by the next legislature of the federal constitutional amendment, delayed final action of the republican state convention until early this morning, when a motion to strike out this plank was defeated.

The platform committee of the democratic state convention last night centered in committee room the obstacle which the republicans had met on the floor in the form of opposition to a federal prohibition plank, but the final platform draft, adopted this morning, included endorsement of war-time prohibition action by congress. The administration of President Wilson was heartily endorsed.

Francis J. Heney of Santa Monica, defeated for the democratic nomination for governor at the recent primary election by Mayor James Rolph, republican, of San Francisco, was last night endorsed by the democratic convention as its nominee.

BLUFFS PUPILS MUST SWEAR TO DISAVOW FRATS

Lid Is Clamped Down Tight on Fraternal Societies in the Schools by Late Order.

Drastic measures have been adopted to force full compliance by high school pupils with the Iowa law prohibiting fraternal societies in the schools of Council Bluffs. All people must sign affidavits and disavow all connections with such societies and swear that they will not attempt to form any such connections, during their high school period, it was announced yesterday.

But 16 organizations are permissible in the high school. They are: cadets, two literary societies for boys and three for girls, three Glee clubs, orchestra, band, Echo school paper, athletics, Hi-Y club for boys, and senior and junior classes.

Following this announcement every boy and girl was given an affidavit card with the admonition that these cards must be made out and sworn to before a notary public and delivered to the first period teachers on or before September 24, just six days from receipt. Failure to return a card at that time or a card improperly made out will exclude the pupil from school until the order is fully complied with. Continued failure or refusal to return the cards will automatically operate to suspend the pupils, indefinitely or permanently.

Officeholder's Book Declared Pro-German by Republican

Washington, Sept. 18.—Frederick C. Howe, federal immigration commissioner at New York, was attacked today by Senator Lodge, republican leader, during his speech approving President Wilson's rejection of Germany's peace feeler, as a writer of articles which the senator characterized as pro-German propaganda.

Howe's book "Why War?" and a recent article by Howe in Harper's magazine, the republican senator declared were contrary to American ideals and at direct variance with the principles enunciated in President Wilson's Baltimore speech. The book, Senator Lodge pointed out, was among those barred from soldiers' libraries by Secretary Baker's order along with others by George Sylvester Veirick, Hugo Munsterberg and Emma Goldman.

"The parade is intended to impress each individual with the fact that if 1,500 men and women of the city are giving their time for weeks to the campaign it is the duty of every citizen to do his part promptly and effectively when the solicitor calls.
