

DR. MARTIN TALKS TO PHYSICIANS OF ARMY SERVICE

Member of General Medical Board Speaks to Missouri Valley Medical Society.

Dr. Franklin Martin, member of the advisory commission of the Council of National Defense and chairman of the council's general medical board of Washington, was in Omaha Thursday evening to address the Missouri Valley Medical Society.

Dr. Martin spoke on work of the volunteer medical service corps. "We are listing the doctors of the country through the volunteer medical service corps. Ten days ago we sent out 90,000 applications. When I left Washington to come here, we had heard from 40,000. This service is voluntary, enabling us to act as a clearing house in determining what doctors should be taken for active service.

"The doctors, as a class, are the most patriotic in this country. If the man-power of America had volunteered as did the medical men, we would have had an army of 9,000,000 men at the start."

Dr. Martin made it plain there was no reflection upon medical men who stay at home. During the evening he gave out a statement signed by Edward P. Davis, president of the volunteer medical service corps, and himself urging against any movement that would threaten to impair a medical man's local, state or national standing because he refused to enroll in the army or navy or the volunteer medical service corps.

The statement also advised that the volunteer medical service corps had as its purpose providing the needs of civil communities and institutions and that medical men who serve in this capacity are helping to win the war as much as those who are fighting on the front.

Dr. Martin emphasized the importance of the everyday speech of the individual. He said: "Woe betide the prattler who is privileged to raise his voice at this time when the great searchlight of history will have been turned on these few super years of all the centuries."

Doctors in attendance were greatly interested in a paper read by Dr. Gershon H. Hill of Des Moines on "Psychic Treatment for Psychopathic Patients," in which he illustrated the varieties of dementia.

Shell shock is the name by which the nervous disease is familiarly known. Physicians are of the opinion that under proper treatment a large majority of the cases can be cured.

The evening session opened with a paper on "What Medical Science Owe to the Military Surgeon," by Col. J. M. Banister.

Scout Masters Pledge Co-Operation With Head "Co-operation and efficiency will be my standard," said Scout Head G. M. Hoyte at the scoutmasters' meeting Thursday night in the scout headquarters. "The welfare of the individual boy scout is the aim of our reorganization. I shall attempt to make the scout headquarters a clearing house for information."

The Omaha scout organization was completely reorganized. Seventeen scoutmasters were present. C. R. Cook was elected president; George A. Peters, vice president; and Charles G. Triem, secretary and treasurer.

It was decided not to participate in the Fourth Liberty Loan drive, but the organization will concentrate on the war savings stamp campaign. The scouts will act as guards in the Ak-Sar-Ben parades as they did last year.

At the end of the meeting a unanimous vote was cast to give all support to the new scout head, Mr. Hoyte.

Ban Put on Ignorance By Negro Conference The Kansas-Nebraska African Methodist conference put a ban on ignorance and illiteracy yesterday and four men who applied for membership in the conference were told to go back and prepare for the work for if God called them to preach He also called them to prepare for the work.

"God can't use ignorance," declared Bishop H. Blanton Parks, D. D. of Chicago, "and everywhere our people are demanding an educated ministry."

Nick Chiles, editor of the Topeka Plaindealer, was presented to the conference and delivered an address. Roy Nelson Pryor of Lawrence preached the annual missionary sermon last night.

"Unconditional Surrender" is Demanded by War Mothers

Evansville, Ind., Sept. 19.—"Unconditional surrender" is demanded of the German nation in a resolution sent today by the war mothers of America, holding their first national convention here, to President Wilson, General Pershing and the American expeditionary forces in France.

The resolution reads: "Millions of war mothers of America, represented in national convention in Evansville, stand loyally behind you in your desire to make no peace until Germany and her allies surrender unconditionally."

The adoption of the resolution followed the reading of a telegram from President Wilson as follows: "To the War Mothers of America: The heart of the whole nation goes out in pride and deep sympathy; sympathy because of the supreme sacrifice they have made and in pride because of the superb courage with which those sacrifices have been accepted. Their sons are making America loved and honored wherever men love freedom and respect justice. Their heroism and their sacrifices will make the whole world a happy and safer home for the wives and mothers of brave men in the days to come. Future generations will rise up and call these men blessed. Please accept my personal homage of respect and gratitude."

The Berlin Vorwaerts (socialist) bitterly declares that the American answer to the Austrian peace note, taken in connection with the speech of Foreign Secretary Balfour, as final proof that the allies seek the destruction of the central powers, their peoples and the dismemberment of their territory.

The Berlin Vorwaerts (socialist) bitterly declares that the American answer and the utterances of Secretary Balfour compel the conclusion that the entente will not consider peace by agreement. "There is but one thing left for us—victory or destruction," says the Deutsche Tages Zeitung.

Cross Half Circle Ranch Sold by John R. Webster

Cross Half Circle ranch, owned by John R. Webster of Omaha, was sold to J. M. Cox of Hampton, Neb., through the Kioke Investment company, and Earl Brown of Cairo, Neb. The total consideration for land and cattle was \$281,000, making it the largest land deal of the year.

The ranch consists of 14,440 acres of deeded land, and 2,500 acres of school land, located in Garden county, 18 miles south of Lakeside, on the Burlington railroad. It cuts 3,500 tons of hay; 150 miles of fence, and 15 miles of place, on which, at the present time, there are ducks by the tens of thousands. The sale included 1,000 cattle, 2,500 tons of hay and all equipment.

The ranch is exceptionally well improved. Mr. Webster's summer home, "The Knolls," a \$10,000 residence, was built two years ago. This ranch was purchased in 1900 by Mr. Webster. On account of his son, going into service he decided to sell.

J. M. Cox, owns 3,500 acres of the best farming land in his home county and has always been a heavy dealer in live stock. He will lease the ranch to his two sons, J. E. Cox of Cairo, and F. H. Cox of Hampton, and his son-in-law, W. F. Bavinger of Omaha. They will get possession October 1, and immediately stock it with 2,000 head of steers.

As an excuse, Dalheim said: "I didn't think I could kill anybody, and didn't think the government would want me."

He will be held for federal officials.

Visitor Greatly Impressed By Progress of Omaha W. W. Russell, treasurer of the National Life Insurance company, Montpelier, Vt., is visiting in Omaha, on a trip through the middle west. He has been in attendance on the meeting of the Farm Mortgage Bankers' association at Kansas City.

Mr. Russell is much impressed with the wonderful progress made in this section and finds that Omaha even exceeds the many good things which he had heard of in the east. Since the National Life has had an office in Omaha for over 30 years, and has large investments in Nebraska farm mortgages, Mr. Russell naturally has a sympathetic interest in the material prosperity of Omaha.

While here Mr. Russell was the guest of Nathan Bernstein, general agent for the company at Omaha.
