DON'T BE A LIP WARRIOR

Action—Two fisted action, is what we want today and it must be Concerted, Co-Operative Action. Put your patriotic utterances and your patriotic impulses into action.

When you curse the kaiser—when you laud our Allies—when you bare your head to Old Glory, you indicate your sympathies; BUT—It will take more than lip-warriors to crush Prussianism.

Back your sentiment with your physical and financial support. Moral support has little effect upon a beast who recognizes neither the laws of God nor the laws of man.

So long as Prussianism exists YOUR freedom will hang in the balance. One of the best ways to crush Prussianism is to put your money into Liberty Loan Bonds.

This is not all that is expected of you, however. There are other duties which we at home must devote

ourselves to. We must feed our soldiers and our allies. We must produce more grain, live stock and poultry. We must rush our produce to market and we must get back to our work in the shortest possible time.

Thousands of farmers and business men are using trucks and tractors to speed their work and to make up for the shortage of men. This is one way in which they are putting action behind their sympathy with the allied cause.

What about your work? How are you accomplishing more? Maybe you are not accomplishing more. Possibly you don't realize just what a truck or tractor will do for you.

It's squarely up to you to find out whether a truck or tractor will enable you to accomplish more. If trucks or tractors will help you, BUY THEM NOW. Eliminate all lost motion and waste of time.
