

### KENNEDY SHOWS WILL UNLOAD IN OMAHA MONDAY

Carnival Coming for Ak-Sar-Ben Festival Has Many New Attractions This Year.

What is probably the biggest carnival that has ever visited Omaha will arrive in this city Monday morning. The Con T. Kennedy shows, which have been booked for the 10 days of the Ak-Sar-Ben festival, ranks as one of the leading shows on the road today. The shows were booked to close in Sioux City Saturday night with the conclusion of the Interstate fair, but by special request, they are giving Sunday performances there today.

The shows will unload here Monday afternoon and will then have two days to prepare for the grand opening on Wednesday afternoon at 1:30. A train of 32 cars will haul the 23 concessions which compose the company.

"Great White Way." A brilliant series of electric lighted shows lining both sides of the street will greet the visitor to the carnival grounds as he passes through the welcome arch at Fifteenth street and Capitol avenues.

The "Whip," Krail's pit show, "Liberty," the electric light and musical comedy show will be the first concessions to strike the eye. On the west side of Fourteenth street, between Capitol avenue and Davenport street, Chinatown, Coney Island, and the motordrome, with its death-defying men and women riders, will be on exhibition.

On the north side of Capitol avenue between Thirteenth and Fourteenth streets the huge Ferris wheel will be erected. On the corner of Thirteenth street and Capitol avenue the "Garden of Allah," with all of its Arabs, camel, desert atmosphere and above all, "Amorita, the Queen of the Desert," will hold forth.

Side Show, Too! On the west side of Thirteenth street at Capitol avenue Turner's Circus side show will extend for 125 feet toward Davenport street.

Directly opposite will be the Douglas county fair.

At the southeast corner of Thirteenth street and Capitol avenue will be the combination Trained Wild Animal and Wild West show. "East is East and West is West, And never the twain will meet," said Rudyard Kipling, but the promoters of this combined show assert that they have brought East and West together, and that the prairie and the jungle are there.

On Thirteenth street between Capitol and Dodge streets the Ten in One show will be erected. On the southwest corner of Fourteenth street and Capitol avenue the "Educational Horse show" is to be on exhibition. At Fourteenth street and Capitol avenue the new mechanical show, "Over the Top," will make its bid for the nickels of the passers-by.

All of the advertised specialties will be right on hand when the carnival opens, says W. M. Moseley, advance man and official representative of the shows. "We have no fakes," he says, "and we guarantee our shows to be exactly as represented."

**Honor Pennants for Loan.** Washington, Sept. 21.—Industrial honor pennants, a new development in Liberty loan campaigning, will be awarded to all establishments which show that 75 per cent of their employes have subscribed to the Fourth Liberty loan.
