

Brief City News

Lighting Fixtures.—Burgess-Granden have just printed it—New Beacon Press.

Patricia Club Meets.—The Patricia club of Sacred Heart will hold its weekly Red Cross meeting Monday night in Lyceum hall, Twenty-second and Locust streets.

Four Get Divorces.—Four divorce decrees were granted in district court Friday. They were: Clara Sanders from Charles W. on grounds of cruelty; Kitty Branch from Harry, nonsupport; Lorraine Taylor from John, desertion, and Lovell Pearson from Betty, cruelty.

Send Out Publicity.—The Chamber of Commerce publicity bureau has sent a complete story of the Omaha Pershing's birthday celebration to the leading newspapers of the United States. Another story will be mailed next week about the raising of a 200-foot chimney at the Union Pacific shops.

Names Confusing.—Alec Britton, recently bound over to the district court in police court, is not Alex Britton, 2209 South Twenty-first street, and does not live at that address. The address given by him to the police was not his own and has caused considerable inconvenience to Alex Britton.

Home on Furlough.—Lt. George Boland, son of Pete Boland, arrived in Omaha Saturday morning to pass a 10-day leave of absence with his parents here. Lieutenant Boland was recently commissioned an officer in the field artillery at Fort Sheridan, Ill., and has been assigned to Camp Zachary Taylor, Louisville, Ky.

Reception to Captain Adams.—A reception will be tendered next Wednesday evening by the Chamber of Commerce to Captain C. E. Adams, recently elected commander-in-chief of the Grand Army of the Republic. It will be in the Chamber of Commerce rooms. The mayor, city commissioners, Grand Army members and the general public will be invited.

Asks \$5,000 Damages.—A damage suit for \$5,000 was filed in district court Saturday by Herbert Hopson against Courtney & Co. Hopson alleges that while riding a motorcycle on March 5 an auto truck belonging to Courtney & Co. collided with the motorcycle, the collision throwing him to the ground. He alleges he was permanently injured in the accident.

Chamber of Commerce Starts Drive for 100 Needed New Members

A drive for 100 new members for the Chamber of Commerce will start Tuesday morning. Nearly 100 members of the chamber have entered the nation's war forces. Men are needed to take their places and help bear the expense and do the work of the chamber in connection with the war.

An effort will be made also to get more active co-operation from the present members, many of whom are remaining on the outside, taking no part in the organization's work and sharing no part in the expenses.

The chamber has much important war activity on hand and it is emphasized that members should help in this. This work includes the industrial survey of this state for the assistance of the quartermaster's department and the war industries board and to secure all possible war contracts for the factories at the state. It also includes the government's labor supply program for essential industries.

It is believed there are hundreds of Omahans who would join the chamber at once if the need is properly presented to them. Each present member is asked to try to get a new member.

Social Workers to Meet and Discuss Legislation

Abolition of capital punishment, compulsory publicity by physicians of names of patients afflicted with social diseases, custodial farms for men and for women, these are some of the subjects to be discussed at a state-wide meeting of social workers to be held at the Lindell hotel in Lincoln next Thursday morning at 11 o'clock.

The meeting is called by the Rev. J. A. Leavitt, state superintendent of the Society for the Friendless, who is asking all who are interested in social work to be present. A line-up of desired legislation will be made and plans laid to get such legislation placed on the statutes by the next legislature.

Social workers from Kansas City, including Dr. James Parsons, will be present. "We expect A. W. Miller of the Omaha juvenile court, a representative of the Board of Public Welfare, and other Omaha people to be present," said Rev. Mr. Leavitt, "and to let us know what legislation along the lines of social work they consider necessary."

Woman and Man Are Taken to St. Joseph for Trials

Suna Perc and Mrs. Nellie Guyin were arrested and taken to St. Joseph Saturday, where charges of grand larceny and adultery have been filed against them. They were arrested on complaint of Mrs. Guyin's husband.

He alleges that his wife and Perc several months ago stole \$500 from him in St. Joseph and moved to Omaha, where they secured employment in a packing house. He says his wife returned upon his promise to dismiss larceny charges filed against the two. Later he alleges she stole \$250 and returned to Perc in Omaha and that they resided at Thirty-second and S streets.

Two Women Are Arrested Charged with Shoplifting

Mrs. Alice Brown and Katherine Bounce, who gave their addresses as Sioux City, Ia., were arrested in the Brandeis Stores shortly after noon yesterday by store detective Finn and charged with shoplifting. Officer Finn said they had about \$30 worth of goods concealed about their person when they were apprehended.
