# SOUTH SIDE SERBIANS HOLD BARBECUE FOR

for Canadian Mobilization Camp to Join Army Overseas.

Canada.

Milosajevich, pastor of St. Nicholas church.

Peter Piechas, president of committee No. 45 of the Serbian National Defense League of America, praised the men for their valor, their enthusiasm and courage and in behalf of the Serbian people bade them Godspeed.

A group of Serbian children sang "America;" the Serbian national song was sung, and Father Milosavljevich sang most feelingly a recitative of the cruelties of the Turks. The money raised last night is to be used by the men on their trip. Each man was given a rose for his buttonhole. Sergeant Govo Vujeich will be

in charge of the contingent.

### Record Live Stock Run On South Side Market With 3,495 Cars Yarded

With the arrival of 55 cars of stock Saturday this has been a record week in the stock receipts in the Omaha market. The total run of cars for the week is 3,495, which is 12 cars more than the run of the previous record week last April, when 3,483 cars were received.

The cattle run for the week totaled 61,805 head, which is still short of the record established September 29, 1917, when 61,850 head ar-

No new record was made on Though the week's arrivals sheep. Though the week's arrivals totaled 196,725, that number was eclipsed September 20, 1913, by the shipment of 199,836 head.

The heavy shipments caused much congestion in the yards and there was a consequent decrease in prices, but a good outlet was found for everything offered. The greatest difficulty was in the yarding, weighing and shipping, although in this respect Omaha was no worse off

From the heavy run of stock this week it is expected that records will be broken in every branch of the orace this year.

#### South Omaha Serbians **Expect Quota of Refugees**

Eighteen thousand Serbian refugees are expected to arrive in the United States next week, 500 of which are children and the small group of Serbians on the South Side expect to have their share of this number to care for, as they will be distributed over the country in proportion to the number of Serbians in each locality.

### Call 95 Men From Second District for Camp Dodge

Local draft board No. 2 of the South Side has received a call for 95 men to go to Camp Dodge, Ia. for regular service. The men are expected to leave sometime between October 7 and 11. The contingent of negroes which

is to leave for Camp Lewis, Wash., still lacks one to complete the quota

### South Side Breveties

Mrs. Mary Sachra left Saturday after-noon for Greenfield, Ia., to attend the funeral of her brother, B. H. Kenworthy. Relatives of Albert Wurmbach, Thirtyfixth and Q streets, have received word that he is in the east visiting relatives while on the way home from France, Mrs. George E. Lane has received word of the safe arrival of her husband, Private George E. Lane, overseas. Private Lane chlisted in the quartermaster corps. Mrs. Lane is making her home with her mother. Mrs. Thomas McMahon, while her husband is overseas.

### Gayety Show Has Crowd of Real Beauties

Scores of "American Beauties" appear in "Hello America," which was shown Saturday at the Gavety and will be staged at the theater all week. It is a patriotic musical comedy revue with a riot of pretty girls. stirring songs and wonderful scenic effects.

Lewis and Dody are star comedians and keep the audience smiling. They put new personality in their songs, "Clothing" and "Pickaniny's Paradise." The program is full of good patriotic singing. Billie Hill and chorus make a hit with "Over Your Way in the Morning, Bill' and Saturday an eager audience called them back for half a dozen

The scenes are elaborate; the opening shows a piet in the North river and the arrival of the big American liner, S. S. Columbia. The last scene is laid in Washington, "the capital of the world," and shows White House in the back ground. This is the show that ran ill summer at the Columbia theater in New York City. It is under the direction of Joe Hurtig.

Local Market Makes Long Strides Ahead During First Eight Months of the Present Year.

Omaha as a grain and livestock market has taken strides in the first eight months of 1918 over the same months last year. In wheat receipts it advanced from sixth place last year to fifth place this year and in cattle receipts from fourth place last year to third place this year.

In receipts of corn, hogs and sheep Omaha is second only to Chicago. The figures, as compiled by the Chamber of Commerce publicity

## THE AEOLIAN PLAYER PIANO

HERE is a Player-Piano of distinction. Its splendid tone classry, its responsive action and its perfect player mechanism justifies the statement that at its price, \$495, it is the BEST player on the market.

FEW Player-Pianos of other makes, even the most expensive models, use so fine a motor as that in the Aeolian Player Plano.

WITH a three or four, or even five-point motor, there are breaks in the power thrusts or impulse during one revolution.

IN the Aeolian Player-Piano a six-point motor is used. of such design that the thrusts or power impulses overlap one another, resulting in a smooth, continuous, unwavering movement of the music-roll.

AMONG other important features of the Aeolian Player Piano may be mentioned: The Metrograde, a supplementary tempo device, metal tracker bar, adopted first by the Aeolian Co. and eliminates the disagreeable rustle of the paper as it passes over the tracker bar.

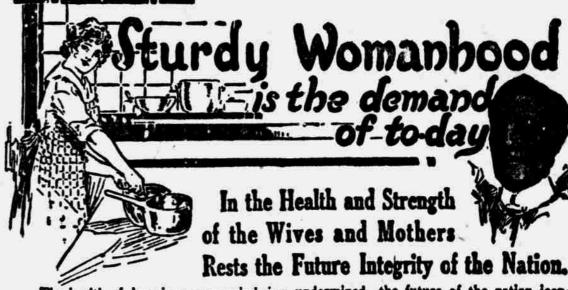

AUTOMATIC Tracking Device—Paper music rolls will at times swell or shrink. To obviate all annoyance from this source on the Acolian Player Piano there is an Automatic Tracking Device which absolutely insures correct tracking of the music roll at all times.

THE Aeolian Player-Piano will cost a little more than other players, but it is well worth the difference. Unt'l the new war revenue bill becomes a law we will sell the Acolian Player Piano at \$495. Your silent piano accepted in exchange. If you can't call, write for handsome catalog.

Dr. MacAlpine says: "In my opinion practically nine out of every ten women who suffer from Nerves can improve their health, strength, vitality and general appearance by getting more iron in their blood. You can tell the women whose blood is rich in strength-giving iron, they are the beaut ful, healthy, rosy-cheeked ones, radiant with life, vim and energy—envied and sought after everywhere they go. Yet despite all that has been said and written by physicians about the alarming iron deficiency in the blood of the average American woman of today, there are still thousands who need something to increase their red blood corpuseles and build up their strength and endurance and are either careless of their condition or do not know what to take.
