

WINNING GAME IN HOT FINISH

Championship of Greater Omaha won when Armours and Longways meet in final round.

The title of amateur champions of Omaha was won yesterday by the Murphy-Did-Its when they drove Manske, ex-Western league pitcher, from the box and defeated the Longways of Council Bluffs, 7 to 2.

A crowd estimated at 3,500 attended the championship game between the three Greater Omaha league teams. As the tension as to whom would finally win increased the crowd grew until it was said to be the largest ever in attendance at an amateur game between local teams.

At the close of the season the Murphy's, Armours and Longways were tied. A six-game playoff, each team playing a double header with the other two teams was then tried and resulted in another tie. After a conference last week, yesterday's double header was decided upon and a coin was tossed for playing positions.

The Armours grabbed off a one run lead in the second inning which only seemed to infuriate the Longways, who rushed back in the third and hammered in five runs which proved sufficient to elect them to play the second game.

Stillmuck was the unfortunate man on the mound when the batting rally started and was relieved for the balance of the game by Lester, who held the Bluffs boys scoreless. The packers gathered in two more runs in the eighth but the lead was too big.

The summary: ARMOURS: Phipps, 4 1 1 0 0; Jones, 4 0 3 3 1; McDuff, 4 1 2 3 0; McDuff, 2 3 1 0 0; Knapp, 2 1 1 1 1; Manske, 4 1 2 4 0; Chaney, 4 0 0 0 0; Laidlaw, 4 1 0 0 0. LONGWAYS: Dert, 4 0 0 0 0; Grev, 4 3 1 1 0; Grev, 4 2 1 1 0; Ryan, 4 5 0 14 0; M. Collins, 4 1 0 3 7; Gribble, 4 2 1 2 1; Stimp, 4 0 0 0 0; League, 4 1 0 0 1; A. Grev, 4 1 0 0 0.

Here Longways Lose Out. Too much Hay led to the defeat of the Longways in the title game with the Jacksmiths. Allowing but one Liberal to strike and striking out the other half of the pitchers' honors, he scored three of the Murphy runs with an equal number of hits. His team mates assisted by rapping out 11 more safeties.

FLACK'S ERROR COMPARED WITH OTHER 'BONERS'

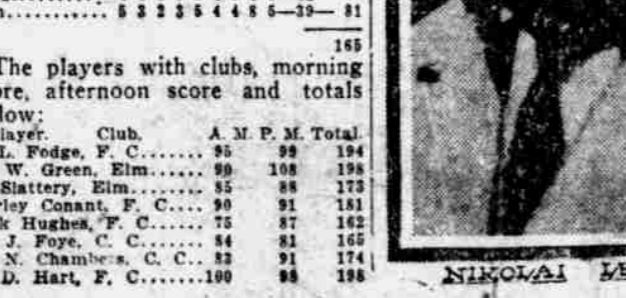

Chicago, Sept. 28.—Caesar, as Patrick Henry said, had his Brutus; Charles I. his Cromwell, and, as the orator of Revolutionary days failed to mention, the managers of various runner-up clubs in the world series have, in nearly every case, someone on whom to unload the blame for defeat.

ANNIE OAKLEY AND 'DAVE' GET RED CROSS COIN

FOOD INCREASE OVERESTIMATED SAYS WATTLE

Food Increased Three and One-Half Per Cent Over Previous Year Figures of Food Administration.

The nation's food bill increased just three and one-half per cent during the year, according to information coming to Gurdon W. Wattle, Federal food administrator for Nebraska, from Washington headquarters.

Records compiled in Washington are based on quarters and are divided according to different lines of foodstuffs. These figures, showing the nation's food bill, are arrived at by taking the wholesale price and computing the consumption at these prices.

For the second quarter of 1918 the total expenditure aggregated \$2,693,751,871 or a per capita expenditure of \$25.59. For the first quarter of the year the expenditures were \$2,692,483,304, or a per capita \$25.41.

Corresponding quarters in 1917 showed these expenditures: Second quarter, \$2,563,600,904, per capita \$24.73; first quarter, \$25.67.

These expenditures are distributed among the various commodities used as food, the last quarter, 1918 taken as an example, showing: Breadstuffs, \$349,625,283; vegetables, \$123,903,476; sugar, \$188,786,860; fruits, \$103,881,429; meats, \$9,789,266; poultry and eggs, \$266,575,561; dairy products, \$619,553,054.

These figures are given to show that increases in cost of foodstuffs have been greatly overestimated, said Mr. Wattle. "They show a national trend and give average increases. It is true that in certain localities certain food products show increases out of proportion to this general increase, but taken as a whole consumers have shown small actual increases. These increases have been much smaller than those in other lines, such as clothing and shoes, and reflect the effects of food control and supervision of food distribution.

AFRAID TO BEND OVER TO LACE HIS SHOES HE STATES

Coleman Had Awful Dizzy Spells—Tanlac Overcomes His Troubles.

"I have been taking Tanlac now for only a few weeks and it has not only entirely relieved me of my troubles but I have gained ten pounds besides," said William Coleman, who is employed by the Ferry Screen Company and lives 1081 Nicholas street, Omaha, the other day.

"About seven years ago," he continued, "when my health began to fail I lost my appetite, my stomach got all out of order and before long I found myself suffering with an awful case of stomach catarrh. Most everything I would eat soured and bloated me up with gas till I felt miserable for hours, and on getting up in the morning I would raise so much mucus that it would almost choke me. I suffered from violent headaches most all the time, and I would often become so dizzy that I was afraid to bend over to lace my shoes for fear of falling on the floor. I was so nervous and restless that I would get up out of bed at night and pace the floor for hours unable to sleep a wink. I lost fifteen pounds in weight and felt so tired and dragged out all the time that I was hardly fit for a thing."

"I reckon I have tried about every medicine on the market for my troubles, but nothing did me any good, and when I saw Tanlac advertised I decided to try it next. I am sure glad that I did for it has certainly made a new man of me. My appetite has come back better, if anything, than ever, all those awful symptoms of stomach trouble have vanished and my digestion is normal once more. My general health has been much improved, that constipation corrected, headaches and dizzy spells never trouble me now, I sleep like a log and am strong as a horse. When my mother saw how much Tanlac was helping me she tried it, too, and she says it has been a blessing to her also. Tanlac is really the best medicine either of us have ever tried, and we know it is a splendid system builder and regulator."

Tanlac is sold in Omaha by Sherman & McConnell Drug Co., corner 16th and Dodge streets; 16th and Harney streets; Owl Drug Co., 16th and Farnam streets; Harvar Pharmacy, 24th and Farnam streets; northeast corner 19th and Farnam streets; West End Pharmacy, 49th and Dodge streets, under the personal direction of a Special Tanlac Representative, and in South Omaha by Forrest & Meany Drug Advertisement.
