

**School Children Find Cache of "Old Taylor"**

A cache of more than 20 bottles of "Old Taylor" whiskey was found by school children beside the main road three miles south of Waterloo Monday night and the information

was telephoned the sheriff's office Tuesday. Deputy Sheriff Christensen went after the goods. Why or when the bottles—proceeds from which would be about \$75 in line with "bootlegger" prices—were placed in such a conspicuous place is open to debate.

**Auto Parking Banned on Part of Farnam Next Week**

Automobile parking will not be permitted next Monday, Tuesday, Wednesday and Thursday on Farnam street, between Seventeenth and Eighteenth streets, until 1 p. m.

**W. O. W. WILL LAY LIBERTY TOWER CORNERSTONE**

**Surprise Promised Omahans at Ceremony Next Monday; Salesmen Are to Meet Thursday.**

Omahans are promised a treat when the cornerstone of the "Liberty Tower" on the court house square is laid under the auspices of the Woodmen of the World Monday noon, October 7.

The Woodmen have been given charge of the ceremony because they have guaranteed to make the largest subscription to Fourth Liberty bonds in Nebraska. This will make the Woodmen of the World the largest subscriber of any similar organization in the country, loan officials say.

Laying of the cornerstone will be preceded by a parade. The line of march will be headed by officers of the Woodmen of the World and Woodmen circle, executive committee of Liberty loan officials, Mayor Ed Smith, city and county officials.

**Surprise is Promised.** "Tell everybody to come to the laying of the cornerstone," said W. A. Fraser, sovereign commander of the Woodmen of the World today. "We've got a surprise for them. We're going to give them some entertainment and maybe we'll show them the Kaiser!"

The organization is not stopping at a subscription. It has ordered a huge electric illuminated American flag and will place a big red, white and blue sign on its building. Then there is the whistle. This is a great army siren which can be heard for miles and which will be placed on top of the building and sounded each time \$25,000 is added to the Omaha loan quota.

A meeting of Liberty bond salesmen will be held at the Chamber of Commerce Thursday at 7:30 p. m.

**Captains Are Named.**

Local No. 20, Musicians' union, has asked all members to meet Thursday and the largest band ever assembled in Omaha will play on the streets at noon.

Sam Burns, chairman of the men's Fourth Liberty loan committee, has appointed the following captains: W. S. Kough, Charles L. Gould, William W. Koller, J. Charles Cook, C. L. H. Klingenberg, Roy T. George, George W. Plaster, H. B. Whitehouse, W. E. Baxter, Donald T. Lee, George H. Miller, E. C. Dorn, Edward J. Phelps, G. R. Menold, H. A. Tuxey, C. O. Talmage, J. A. Rockwell, F. D. Wood, W. R. **Government Starts Mail Service to U. S. Men at Vladivostok**

Postal authorities have issued a bulletin announcing that a United States mail agency has been established at Vladivostok, Russia, for conducting the postal service in connection with the American expeditionary forces in Siberia.

Domestic rules will govern the acceptance of mail matter until further notice. Letters may be mailed for three cents, post cards for two cents.

Addresses must include name in full and rank, designation of the unit, American expeditionary force, Siberia, and the name and address of sender. Packages must be inspected at window No. 10 at the post office.

**American War Mothers to March with Red Cross**

American War Mothers will not march in the military parade Thursday. "We were intending to do so," said the secretary, Mrs. Ada M. Brady, "but the War Mothers of America, composed of mothers, wives and sisters, have made arrangements to march, and we do not care to affiliate ourselves with them. The members of our association, which is the larger, will march with the Red Cross auxiliaries or other associations and not as mothers of soldiers."

At the meeting of American War Mothers held Tuesday evening in the school board rooms in the city hall, Mrs. W. G. Mettlen invited the mothers to help censor socks at the warehouse, which they decided to do for one month, after which time they will form a Red Cross auxiliary, of which Mrs. Mary Anderson will be chairman. About 150 mothers were present and the meeting was a lively one.

**Famous Beauty Tells Hair Curling Secrets**

"I cannot too strongly condemn the use of the hot curling-iron," says Rita Moya. "It means death to the hair eventually. Moreover, it is entirely unnecessary. The hair can be made beautifully wavy and curly to any extent and in any form desired, merely by using such simple thing as pure silmerine. This perfectly harmless liquid should be applied to the hair with a clean tooth brush at night. In the morning you will find that a very beautiful natural wave and curliness has resulted, and the effect will last a considerable time." "The liquid silmerine is very beneficial and is not sticky or greasy. Neither does it streak the hair or stain the scalp. You need not get more than few ounces from your drugist. The best way is to divide the front and back hair into from four to six strands, and to moisten each strand thoroughly from root to tip.—Adv.

**Smallest National Army Officer from Omaha**

Harry H. Robinson is not only one of the youngest, but is undoubtedly the smallest youth to receive a commission in the national army. He is but 18 years of age, and does not weigh more than 115 pounds. He was one of 10 students chosen from Creighton university for military training at Fort Sheridan, Ill., and was the youngest of 14,000 to receive a commission.

Lieutenant Robinson is a former carrier of the Omaha Bee. He graduated from Central High school, and was a pre-med student at Creighton when he received an appointment to Fort Sheridan. He came to Omaha, and spent a two-day furlough with his parents, Mr. and Mrs. Herbert H. Robinson, 3627 California street, and then left for his new field of work at College station, Tex., where he will assist in the military training of the students at the Texas agriculture and mechanical school.

**To Head Motor Division of the Big Daylight Parade**

Capt. Helen Mitchell and Lt. Weil of the Lincoln motor corps will head a motor delegation from the Lincoln league to ride in the parade Thursday. Capt. Wedemeyer and the Fort Omaha band, for which the Service league furnished musical instruments, will make its first appearance in the military parade.

**McDonnell Sued as a Result of Auto Truck Mishap**

John McDonnell is made defendant in a \$10,000 damage suit filed in district court Wednesday by Esther Whitaker, who alleges that on September 28, at Twentieth and Douglas streets, McDonnell's auto truck ran over her. She alleges she was permanently injured and that she was disfigured for life.

**SHOE STYLES STANDARDIZED PRICES FIXED**

Retailers Will Be Required to Display in Their Shops Pledges to Observe New Rule.

The American people soon will be able to purchase shoes at fixed maximum and minimum retail prices, lower than those now prevailing, and obtain at the same time shoes of better quality. This announcement was made today by the war industries board based on an agreement it has entered into with the shoe industry.

Shoes will be standardized as to quality and style at prices ranging from \$3 to \$12 for men and women grouped as follows: Class A, from \$9 to \$12; class B, \$6 to \$8.50; and class C, \$3 to \$5.50. Proportionate prices for youths' and children's shoes have been fixed in each of the three classes.

The war industries board will check up on the quality of the shoe sold at each price by means of a class number stamped on each shoe. Policing, officials explained, will be done by the various councils of defense and where the public is in doubt as to what quality it is getting according to the price schedule, complaint may be made and the source of manufacture traced.

While it is possible to purchase a shoe for \$3 now, under the new schedule, the shoe at that price will be of higher grade. Officials also said that it will be possible to buy better quality shoes throughout the three classes at less money than at present. Shoes now retailing for as high as \$20, they said, will retail for the maximum price of \$12 and be of at least equal quality.

Manufacturers, jobbers and retailers subscribed to the agreement and retailers will be required to sign a pledge containing the new price scale and display it in their shops. Failure to do so will mean the cutting of supplies. The manufacturers' pledge provides for standards of quality at the quoted prices.

The cutting of shoes under the new schedule will begin October 15, and it is expected first deliveries will be made within from 30 to 60 days after that date. Time is allowed retailers to dispose of present stocks at present prices.
